CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your daybed.

- **Cleaning Fabric:** For general cleaning, use a soft brush or vacuum with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner suitable for linen, testing on an inconspicuous area first.
- **Frame Care:** Wipe the wooden and metal components with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to

maintain stability.

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading.

- **Missing Parts:** If any components are missing upon unboxing, do not proceed with assembly. Contact customer support immediately for assistance.
- **Assembly Difficulties:** Review the assembly instructions carefully, paying close attention to diagrams and hardware identification. Ensure all parts are oriented correctly. If issues persist, contact customer support.
