Model: B0F9F67WN2 | Brand: Shulemin

1. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- **Assembly:** Assemble the product on a soft, clean surface to prevent scratches. Ensure all parts are correctly aligned and securely fastened before use.
- **Stability:** Do not overload drawers or shelves. Ensure the vanity desk is placed on a level surface to prevent tipping.
- **Children:** Keep small parts and hardware away from children during assembly. This product is not a toy.
- **Weight Limit:** Adhere to any specified weight limits for drawers and shelves to maintain structural integrity.
- **Material:** This product is constructed from eco-friendly plate-type material. Avoid exposure to excessive moisture or direct heat sources.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present and undamaged. If any parts are missing or damaged, please contact customer support.

3. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Each piece is labeled, and all necessary hardware is included. Follow these steps carefully to ensure proper and stable construction.

1. **Prepare the Area:** Clear a spacious area and lay down a blanket or cardboard to protect the floor and furniture components from scratches.
2. **Identify Parts:** Unpack all components and hardware. Refer to the parts list and diagrams to identify each piece.

3. **Assemble the Main Desk Frame:** Begin by connecting the side panels to the top and bottom panels of the main desk using the provided hardware (e.g., cam locks and dowels). Ensure all connections are tight.
4. **Install Drawer Slides:** Attach the drawer slides to the interior of the desk frame according to the pre-drilled holes. Ensure they are level and facing the correct direction.
5. **Assemble Drawers:** Construct each of the six drawers. Attach the wooden handles to the drawer fronts. Insert the assembled drawers into their respective slides. Note the specific drawer with a lock mechanism for the main desk area.
6. **Attach Mirror Unit:** Secure the mirror unit to the top surface of the main desk. Ensure the sliding tracks are properly aligned and functional.
7. **Assemble Stool:** Connect the stool legs to the seat using the provided hardware. Ensure all connections are secure for stability.
8. **Final Check:** Once assembly is complete, gently test the stability of the desk and stool. Ensure all drawers slide smoothly and the mirror mechanism operates correctly.

4. OPERATING INSTRUCTIONS

The Shulemin Makeup Table is designed for versatile storage and ease of use.

4.1. Sliding Mirror and Hidden Storage

The mirror unit is equipped with sliding tracks, allowing it to move horizontally. This reveals a hidden storage compartment behind the mirror, perfect for organizing cosmetics, perfumes, or other personal items.

- To access hidden storage, gently push the mirror unit to the side along its tracks.
- Slide the mirror back to its central position for a full reflection or to conceal the storage.

4.2. Drawers and Open Shelves

The vanity desk features six spacious drawers and additional open shelves for various storage needs.

- **Drawers:** Utilize the six drawers for organized storage of makeup, jewelry, and other personal items. One drawer includes a lock for securing valuables.
- **Open Shelves:** The open shelves provide convenient access and display space for frequently used cosmetics, nail polish, or decorative items.

5. MAINTENANCE

Proper care will extend the life and appearance of your Shulemin Makeup Table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the material.
- **Environment:** Avoid placing the vanity desk in direct sunlight or near heat sources, as this can cause discoloration or warping. Maintain a stable room temperature and humidity.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the desk remains stable and secure.

6. TROUBLESHOOTING

If you encounter any issues with your makeup table, refer to the following common problems and solutions.

- **Wobbly Desk/Stool:**

Solution: Check all assembly hardware. Ensure all screws, bolts, and cam locks are fully tightened. Verify the desk is on a level surface.

- **Drawers Not Sliding Smoothly:**

Solution: Ensure the drawer slides are correctly installed and free from obstructions. Lightly lubricate the slides with a silicone-based lubricant if necessary. Check that drawers are not overloaded.

- **Mirror Not Sliding Easily:**

Solution: Inspect the sliding tracks for any debris or obstructions. Clean the tracks and apply a small amount of silicone lubricant if needed. Ensure the mirror unit is properly seated on the tracks.

- **Missing or Damaged Parts:**

Solution: If you discover missing or damaged parts during assembly, do not proceed. Contact Shulemin customer support immediately for assistance.
