7. MAINTENANCE

- Clean the device regularly with a soft, dry cloth. Avoid using abrasive cleaners or solvents.
- Keep the screen free from dust and fingerprints for optimal touch response.
- Store the device in a cool, dry place when not in use.
- To prolong battery life, avoid fully discharging the battery frequently.

8. TROUBLESHOOTING

Issue	Possible Solution
Device does not power on	Ensure the battery is charged. Connect to a power source and try again.
Cannot transfer files	Ensure the USB-C cable is securely connected. Try a different USB port or computer. Verify the device is in 'File Transfer' mode if prompted.
Bluetooth device not pairing	Ensure the Bluetooth device is in pairing mode and within range. Restart both devices and try again.
No FM radio signal	Ensure wired headphones are plugged in, as they function as the antenna. Adjust your location for better reception.
Touchscreen unresponsive	Restart the device. Ensure the screen is clean and dry.
