## Globlazer F80

# Globlazer Gothic Cat Tree F80 Instruction Manual

Model: F80

## INTRODUCTION

---

Thank you for choosing the Globlazer F80 Gothic Cat Tree. This multi-level cat activity center, standing 204 cm tall, is designed to provide a stable and engaging environment for 3-5 adult cats. It features multiple perches, cat condos, hanging baskets, a hammock, and sisal scratching posts, offering ample space for rest, play, and scratching. This manual provides essential information for assembly, operation, maintenance, and product specifications to ensure safe and enjoyable use for your feline companions.

## SETUP INSTRUCTIONS

---

Assembly of the Globlazer F80 Gothic Cat Tree is designed to be straightforward. All parts are clearly labeled, and a comprehensive instruction guide is included to facilitate the process.

- Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the instruction guide are present and undamaged.
- Follow Step-by-Step Guide:** Refer to the provided assembly manual for detailed, illustrated instructions. Each piece is identified to simplify the construction.
- Secure Connections:** Ensure all screws and connectors are tightened securely to maintain the stability of the structure.
- Install Anti-Tip Kit:** For enhanced stability and safety, especially with multiple or active cats, attach the included anti-tip straps to a wall stud. This prevents accidental tipping.

## OPERATING INSTRUCTIONS (USAGE)

The Globlazer F80 Gothic Cat Tree is designed to be a comprehensive activity center for your cats. Encourage your cats to explore and utilize its various features.

- **Perches:** The three padded top perches offer elevated resting and observation spots. Cats naturally enjoy high vantage points.
- **Cat Condos:** Two enclosed cat condos provide secure and private spaces for napping and hiding.
- **Hanging Baskets & Hammock:** These soft, suspended areas offer comfortable spots for lounging and relaxation.
- **Sisal Scratching Posts:** The numerous sisal-wrapped posts are intended for scratching, helping to maintain claw health and protect your furniture.
- **Interactive Toys:** The included dangling balls and spider toys provide entertainment and encourage playful activity.

## MAINTENANCE

Regular maintenance will extend the life of your Globlazer F80 Gothic Cat Tree and ensure a clean, safe environment for your pets.

- **Screw Tightness Check:** Verify the tightness of all screws at least once a month. Loose connections can compromise

stability.

- **Surface Cleaning:** The soft plush material is easy to clean. Use a vacuum cleaner to remove loose fur and debris. For spots, gently wipe with a damp cloth and mild pet-safe cleaner, then air dry.
- **Removable Perch Covers:** The covers on the top perches are removable for easy cleaning. Follow fabric care instructions for washing.
- **Sisal Post Inspection:** Periodically check sisal scratching posts for wear and tear. While durable, heavily used posts may eventually require replacement to maintain their effectiveness.
- **Indoor Storage:** This product is designed for indoor use. Store it indoors and clean as needed.

## TROUBLESHOOTING

If you encounter any issues with your Globlazer F80 Gothic Cat Tree, please refer to the following common solutions:

- **Stability Concerns:** If the cat tree feels wobbly, re-check all screw connections and ensure they are fully tightened. Confirm the anti-tip kit is correctly installed and secured to a wall stud.

- **Parts Missing/Damaged:** If any parts were missing or damaged upon arrival, please contact customer support immediately for assistance.
- **Cats Not Using Tree:** Introduce your cats to the tree gradually. Place treats or familiar toys on different levels. Catnip can also be used to encourage exploration. Ensure the tree is in a location your cats frequent and feel secure in.

For problems not addressed here, please contact Globlazer customer support.
