Your comprehensive guide to assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the Wodeer 43" Black Vanity Desk with Mirror and Lights. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

To ensure safe use and prevent damage, please observe the following precautions:

- Do not place heavy objects on the top of the vanity.
- Keep away from water sources.
- Ensure the power outlet is not exposed to water.
- Use only the provided power outlet and avoid overloading.
- Always ensure the vanity is placed on a stable, level surface.
- Keep small parts and packaging materials away from children during assembly.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

6. OPERATING INSTRUCTIONS

6.1. Mirror LED Lights

1. **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
2. **Change Color Temperature:** With the lights on, tap the touch sensor repeatedly to cycle through Cool White, Warm White, and Warm Yellow modes.
3. **Adjust Brightness:** Press and hold the touch sensor to gradually increase or decrease the brightness. Release when the desired brightness is achieved.

6.2. RGB LED Strip

The RGB LED strip can be controlled via a physical switch or a dedicated mobile application.

- **Switch Control:** Use the integrated switch to turn the RGB lights on/off and cycle through basic color modes.
- **App Control:** Download the recommended app (refer to the RGB strip's specific instructions for app name and QR code). Connect the app to the RGB strip via Bluetooth to access advanced features such as over

60,000 colors, brightness adjustment, music mode, microphone mode, and timing functions.

6.3. Power Outlets

The built-in power strip provides convenient access to electricity:

- **AC Outlets:** Plug in your hair dryer, curling iron, or other small appliances. Ensure the total wattage does not exceed the vanity's specified limit (refer to the power strip label).
- **USB Ports:** Connect your USB charging cables to power your mobile devices.

7. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your vanity desk:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For glass surfaces, use a standard glass cleaner.
- **Dusting:** Regularly dust all surfaces, including shelves and mirror, to prevent buildup.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.
- **Electrical Components:** Ensure all plugs and cables are free from damage. Do not attempt to repair electrical components yourself.

8. TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common solutions:

Problem	Possible Cause	Solution
Mirror lights not working	Power cable disconnected; faulty bulb; touch sensor issue.	Check power connection. Ensure bulbs are securely screwed in. Contact customer support if the touch sensor is unresponsive.
RGB strip not lighting up/changing colors	Power connection issue; app not connected; faulty strip.	Verify power supply to the strip. Reconnect via app. If issues persist, contact customer support.
Power outlets not functioning	Power cable disconnected; circuit overload; faulty outlet.	Check main power connection. Unplug some devices to reduce load. Test with another device. Contact customer support if outlets remain non-functional.
Drawers are stiff or misaligned	Improper assembly; debris in tracks.	Review assembly steps for drawer slides. Clear any obstructions from the tracks.

If the problem persists after attempting these solutions, please contact Wodeer Customer Support for further assistance.
