

SUPVAN E11

SUPVAN Label Maker E11 User Manual

Model: E11

1. INTRODUCTION

Thank you for choosing the SUPVAN Label Maker E11. This manual provides detailed instructions on how to set up, operate, and maintain your new label maker. Please read this manual thoroughly before using the device to ensure proper functionality and to maximize its lifespan.

An overview of the SUPVAN E11 label maker, showcasing its compact design, QWERTY keyboard, and the included yellow and white continuous label rolls.

2. PACKAGE CONTENTS

Upon opening your SUPVAN Label Maker E11 package, please verify that all the following items are included:

- SUPVAN E11 Label Maker Unit
- 1 Roll Yellow Continuous Label
- 1 Roll White Continuous Label
- USB Charging Cable
- User Manual (this document)

3. PRODUCT FEATURES

The SUPVAN E11 Label Maker is designed for efficiency and versatility, offering a range of features to meet your labeling needs:

- **Cost-Effective & Long-Lasting:** Designed for extended use with a moderate number of labels, ensuring higher cost-efficiency.
- **Vibrant Label Color Options:** Includes both yellow and white continuous labels, suitable for various applications from warning labels to general organization.
- **BPA-free & High Safety:** Labels comply with BPA-free standards, making them safe for use with food, cosmetics, and other consumables.
- **Smart RFID Auto-Detection:** The E11 automatically recognizes and detects label size, minimizing misalignment errors and reducing waste through precise paper feeding.
- **Dual Printing Modes:** Print directly using the integrated keyboard or connect via Bluetooth to a smartphone app for advanced editing.

Print via Keyboard or Bluetooth App

**Keyboard for
Fast Printing**

App for Creativity

This image illustrates the dual functionality of the SUPVAN E11 label maker, allowing users to print directly using the integrated keyboard for quick tasks or through a smartphone application for more creative designs.

Less Margin

SUPVAN

Eliminate the waste of labels

Others

This image demonstrates the SUPVAN E11's ability to print with minimal margins (0.2 inches), reducing label waste compared to other label makers that may have larger margins (0.4 inches).

Supports Various Style Labels

Auto label size recognition

Die-Cut Label

Spaghetti Boiling Time - 9 minutes

Brewed Chicken Breast - Best before 2025.11.11

Continuous Label Roll

Round Label

Cable Label

This image illustrates the versatility of the SUPVAN E11, capable of printing on various label types such as die-cut labels for specific items, continuous rolls for custom lengths, round labels, and specialized cable labels.

4. SETUP

4.1. Charging the Device

The SUPVAN E11 features a built-in 1200 mAh rechargeable battery. Before first use, fully charge the device using the provided USB cable. Connect the USB cable to the charging port on the label maker and to a standard USB power adapter (not included) or a computer USB port.

Built-in Rechargeable Battery

Powered by AAA Battery

Cost-Effective
Environmentally Friendly

Drain Quickly

Cost-Ineffective
Not Environmentally Friendly

A visual comparison highlighting the SUPVAN E11's built-in 1200 mAh rechargeable battery, emphasizing its cost-effectiveness and environmental friendliness, contrasted with the less efficient AAA battery option.

4.2. Loading Label Rolls

1. Open the label compartment cover on the side of the device.
2. Insert the label roll with the printing surface facing upwards, ensuring the leading edge of the label feeds into the printer slot.
3. Close the cover firmly. The device's RFID auto-detection will recognize the label size.

No Ink & Toner Needed

Only need thermal paper

An image demonstrating the thermal printing technology of the SUPVAN E11, which only requires thermal paper, eliminating the need for ink or toner cartridges.

4.3. Connecting to the App (Optional)

For advanced features and design options, download the official SUPVAN app from your device's app store. Enable Bluetooth on your smartphone and open the app. The app will guide you through the pairing process with your E11 label maker.

5. OPERATING

5.1. Basic Printing via Keyboard

1. Power on the device by pressing the power button.
2. Use the QWERTY keyboard to type your desired text.
3. Utilize the navigation keys to move the cursor and the "Set" button for options.
4. Press "Enter" to print the label.

5.2. Advanced Printing via App

Once connected to the app, you can access a wide range of customization options:

- **Text Editing:** Adjust font styles (40+ fonts), sizes, and alignment.
- **Icons & Frames:** Choose from over 450 icons and 50 frames to enhance your labels.
- **Templates:** Utilize pre-designed templates for common labeling tasks.
- **Barcode/QR Code Generation:** Create and print barcodes or QR codes directly from the app.
- **Image Insertion:** Embed simple images onto your labels.

50+ Frames

A detailed view of the SUPVAN mobile application, showcasing its extensive editing capabilities including over 40 fonts, 450 icons, and 50 frames, all available without additional purchase or subscription.

5.3. Wide Applications

The SUPVAN E11 is suitable for various labeling needs, including but not limited to:

- Home organization (kitchen, pantry, storage)

- Office filing and asset management
- Retail product labeling
- Cable and wire identification
- School supplies and personal items

Wide Applications

This image showcases the wide range of applications for the SUPVAN E11 label maker, including organizing kitchen items, office documents, and children's toys, highlighting its utility in different environments.

6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your SUPVAN E11 Label Maker:

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the device. For the print head, gently wipe with a cotton swab dampened with isopropyl alcohol. Ensure the device is powered off before cleaning.
- **Label Storage:** Store label rolls in a cool, dry place away from direct sunlight and extreme temperatures to prevent degradation.

- **Battery Care:** To preserve battery life, avoid fully discharging the battery frequently. If storing the device for an extended period, charge it to about 50% and recharge every few months.
- **No Ink/Toner Needed:** The E11 uses thermal printing technology, eliminating the need for ink or toner cartridges. This simplifies maintenance and reduces running costs.

7. TROUBLESHOOTING

If you encounter issues with your SUPVAN E11 Label Maker, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not power on.	Low battery or no charge.	Connect the device to a power source using the USB cable and charge it fully.
Labels are blank or faded.	Label roll inserted incorrectly (upside down) or print head is dirty.	Re-insert the label roll with the printing surface facing up. Clean the print head as described in the Maintenance section.
Labels are jammed.	Improper label loading or foreign object in the compartment.	Open the label compartment, carefully remove any jammed labels, and ensure the path is clear before re-loading.
Cannot connect to Bluetooth app.	Bluetooth is off on phone, app not updated, or device not in pairing mode.	Ensure Bluetooth is enabled on your phone. Restart the app and the label maker. Follow app instructions for pairing.

8. SPECIFICATIONS

- **Model:** E11
- **Brand:** SUPVAN
- **Printing Technology:** Thermal Printing (No Ink/Toner Required)
- **Connectivity:** Bluetooth
- **Battery:** Built-in 1200 mAh Rechargeable Battery
- **Label Compatibility:** Continuous Thermal Labels (Yellow, White, various styles)
- **App Support:** iOS & Android (Free App Editing Function)
- **ASIN:** B0F9FFB38M
- **First Available:** March 4, 2025

9. WARRANTY AND SUPPORT

SUPVAN products are manufactured to high-quality standards. For information regarding warranty coverage, please refer to the warranty card included with your product or visit the official SUPVAN website. For technical support, troubleshooting assistance, or any inquiries not covered in this manual, please contact SUPVAN customer service through their official channels. You can often find contact information on the SUPVAN website or through the retailer where you purchased the product.
