IRONCK QR-669

IRONCK 43.3" Extra Large Dog Crate Furniture with Storage Shelf

Model: QR-669 | Brand: IRONCK

INTRODUCTION

The IRONCK 43.3" Extra Large Dog Crate Furniture with Storage Shelf (Model QR-669) is designed to provide a secure and comfortable space for your dog while blending seamlessly with your home decor. This multi-functional unit serves as both a dog crate and a piece of furniture, featuring a storage shelf and hanging hooks for pet essentials. Constructed from high-grade engineered wood and reinforced metal, it offers durability and stability for large and giant dog breeds.

SAFETY INFORMATION

- Ensure all components are securely fastened during assembly. Regularly check and re-tighten screws to maintain structural integrity.
- Do not exceed the tabletop weight limit of 180 lbs (approximately 81.6 kg) to prevent damage or injury.
- Regularly inspect the crate for any damage, such as bent metal rods or splintered wood, to ensure your pet's safety. Address any issues promptly.
- This product is intended for indoor use only. Exposure to outdoor elements may compromise its durability and safety.
- Ensure the crate size is appropriate for your dog. Your pet should be able to stand up, turn around, and lie down comfortably inside.
- Keep small children away from the assembly area and do not allow them to play inside or on the crate.

PACKAGE CONTENTS

The package includes all necessary components for assembly. Please verify that all parts are present before beginning assembly. Typical contents include:

- Engineered wood panels for the crate structure and storage shelf.
- Metal iron rods and frame components for the crate enclosure.
- One metal door with a heavy-duty secure latch mechanism.
- Four metal hanging hooks.
- All required assembly hardware (screws, bolts, etc.).
- Assembly tools (e.g., Allen wrench).
- Step-by-step instruction manual.

SETUP AND ASSEMBLY

Assembly of the IRONCK Dog Crate Furniture requires careful attention to detail. It is recommended to have two people for easier assembly, though it can be completed by one person. Follow the step-by-step instructions provided in the included manual for optimal results.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. Begin by assembling the main crate structure, connecting the side panels, bottom, and top pieces using the provided hardware. Ensure all panels and metal rods are correctly aligned.
3. Attach the metal door to the designated opening and install the heavy-duty secure door latch mechanism. Test the latch for smooth operation.
4. Assemble and attach the upper storage shelf unit to the top of the crate.
5. Install the four metal hanging hooks onto the side of the storage shelf as indicated in the manual.
6. Once all components are assembled, ensure all screws and fasteners are tightened to provide a stable and secure structure. Do not overtighten.

OPERATING INSTRUCTIONS

This multi-functional dog crate is designed for ease of use and integration into your home environment.

- **Crate Door:** The crate features a heavy-duty secure door latch. To open, slide the latch mechanism away from the door frame. To close, ensure the door is flush with the frame and slide the latch into place to secure it.
- **Storage Shelf:** Utilize the integrated storage shelf to keep pet food, treats, toys, and other essentials organized and easily accessible. The shelf helps maintain a tidy living space.
- **Hanging Hooks:** Four metal hooks are provided on the side of the storage shelf for convenient hanging of leashes, harnesses, or small accessories.
- **Tabletop Functionality:** The sturdy top surface can support up to 180 lbs, functioning as a coffee table or end table. Use it for decorative items, plants, lamps, or other daily use items, helping to save floor space.

4 Metal Hooks

Dog leashes and toys
can be perfectly stored

MAINTENANCE

Proper maintenance will extend the life and appearance of your IRONCK Dog Crate Furniture.

- **Cleaning:** The engineered wood and metal surfaces can be easily cleaned with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, which may damage the finish.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.
- **Damage:** Address any damage to the metal rods or wooden panels promptly. Minor scratches on wood can

sometimes be touched up with furniture markers. Significant damage may require replacement parts or professional repair.

TROUBLESHOOTING

If you encounter any issues with your dog crate furniture, please refer to the following common solutions:

- **Instability:** If the crate feels unstable after assembly, re-check all connections and ensure screws are fully tightened. Verify that all parts are correctly oriented according to the instructions. Ensure the crate is placed on a flat, level surface.
- **Door Latch Issues:** If the door latch is stiff or not securing properly, ensure the door is aligned correctly within the frame. A small amount of silicone-based lubricant can be applied to the latch mechanism if needed. Avoid oil-based lubricants.
- **Missing Parts:** If any parts are missing upon unboxing, please refer to the contact information in the Warranty and Support section for assistance. Do not attempt to assemble the product with missing components.
- **Pet Chewing:** While the metal rods are thickened to resist biting, some persistent chewers may still attempt to chew on wooden parts. Consider using chew deterrent sprays or providing appropriate chew toys to redirect your pet's attention.

SPECIFICATIONS

Product Specifications

Feature	Detail
Model Number	QR-669
Product Dimensions (L x W x H)	30"L x 43.3"W x 41.8"H
