1. INTRODUCTION

Thank you for purchasing the Furnulem 63-inch 9-Drawer Dresser and TV Stand. This versatile furniture piece is designed to provide ample storage and serve as a functional entertainment center for TVs ranging from 65 to 75 inches. It features integrated power outlets, USB ports, and LED lighting to enhance your living space. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and optimal use of your product.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Keep Children Away:** Keep children and pets away during assembly. Small parts can be a choking hazard.
- **Use on a Level Surface:** Always assemble and use the dresser on a flat, stable, and level surface to prevent tipping.
- **Anti-Tip Kit:** Secure the dresser to the wall using the provided anti-tip kit to prevent serious injury from tipping furniture.
- **Weight Limits:** Do not exceed the weight limits for the top surface or drawers. Refer to the specifications section for details.
- **Electrical Safety:** Ensure the power outlet and USB ports are connected to a properly grounded electrical outlet. Do not overload the outlets.
- **Proper Handling:** Lift with care. Do not drag the unit, as this may damage the frame or flooring.
- **Regular Inspection:** Periodically check all connections and fasteners to ensure they remain tight.

Stable and Safe

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- Wooden Top Panels
- Fabric Drawers (9 total, various sizes)
- Power Outlet & USB Hub
- LED Light Strip with Remote
- Assembly Hardware (screws, bolts, adjustable feet, anti-tip kit)
- Installation Tools
- Instruction Manual

4. SETUP & ASSEMBLY

Assembly is designed to be straightforward with pre-drilled holes, clearly labeled components, and step-by-step instructions. An installation video is available for visual guidance.

4.1 Assembly Steps

1. Unpack all components and verify against the parts list.
2. Assemble the main metal frame structure according to the diagrams.
3. Attach the wooden top panels and shelves.
4. Install the power outlet and USB hub into the designated slot on the top panel.
5. Insert the fabric drawers into their respective compartments.
6. Attach the anti-tip kit to the back of the dresser and secure it to a wall stud.
7. Adjust the leveling feet to ensure stability.

5. OPERATING INSTRUCTIONS

5.1 Power Outlet & USB Ports

The dresser includes a built-in power outlet with 2 AC outlets (120V/12A) and 2 USB ports (5V/2A). To use, plug the dresser's power cord into a wall outlet. You can then charge devices or power electronics directly from the top surface.

5.2 LED Light Strip

The integrated LED light strip can be installed in the central open shelf area to provide ambient lighting. It comes with a remote control for various functions:

- **Color Selection:** Choose from 60,000 colors.
- **Brightness Adjustment:** Control the intensity of the light.
- **Modes:** Select from various lighting modes, including Music Mode (lights react to sound) and Timing Mode.
- **Control:** Use the included remote control or a compatible smartphone app.

Figure 4: LED light strip with remote and app control options.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. The fabric drawers are wipeable for easy cleaning.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Drawer Care:** Ensure fabric drawers are not overloaded to maintain their shape and functionality.
- **Electrical Components:** Keep the power outlet and USB ports free from dust and debris. Do not expose to liquids.

7. TROUBLESHOOTING

- **Problem:** Drawers do not slide smoothly.
Solution: Check for obstructions in the drawer tracks. Ensure the frame is level and all screws are tightened.
- **Problem:** LED lights are not working.
Solution: Verify the power cord for the dresser is plugged into a live outlet. Check the connection of the LED strip to the USB port. Ensure the remote control batteries are functional.

- Problem:** Power outlets/USB ports are not working.
Solution: Confirm the dresser's main power cord is securely plugged into a working wall outlet. Test the wall outlet with another device.
- Problem:** Unit feels unstable.
Solution: Re-check all assembly connections. Ensure the adjustable feet are properly set on a level surface. Verify the anti-tip kit is securely installed.
