TTK 55" Oversized Round Corduroy Chaise Lounge Chair

INSTRUCTION MANUAL

Introduction

Thank you for choosing the TTK 55" Oversized Round Corduroy Chaise Lounge Chair. This manual provides essential information for the proper setup, operation, and maintenance of your new furniture. Please read these instructions carefully before use and retain them for future reference.

Setup Instructions

This chaise lounge chair is designed for convenience and requires no assembly. Follow these steps to prepare your chair for use:

1. **Unpacking:** Carefully remove the chair from its packaging. Ensure all protective materials are removed.
2. **Cushion Expansion:** The chair arrives fully compressed. Allow the cushions to naturally expand to their full shape and firmness over approximately 72 hours. During this period, occasional fluffing can aid in the expansion process.
3. **Placement:** Position the chair in your desired location, ensuring adequate space around it for comfortable use.

Operating and Usage

The TTK Chaise Lounge Chair is designed for comfort and versatility. Its oversized, round design provides a spacious seating area for various activities.

- **Comfort:** The chair features high-resilience foam and reinforced spiral springs, offering a medium-firm, cloud-like seating experience. The deep seating and plush throw pillows provide ergonomic support.
- **Versatility:** This chair is suitable for reading, watching movies, relaxing, or napping. It can be used in living rooms, bedrooms, projection rooms, or other personal spaces.
- **Weight Capacity:** The chair has a weight capacity of 300 lbs per seat.

Care and Maintenance

Proper care will extend the life and appearance of your corduroy chaise lounge chair.

- **Regular Cleaning:** Vacuum the corduroy fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for corduroy, testing on an inconspicuous area first. Avoid harsh chemicals.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading. Position the chair away from direct sunlight or use curtains/blinds to protect it.
- **Fluffing Cushions:** Periodically fluff and rotate the throw pillows and seat cushions to maintain their shape and even out wear.

Troubleshooting

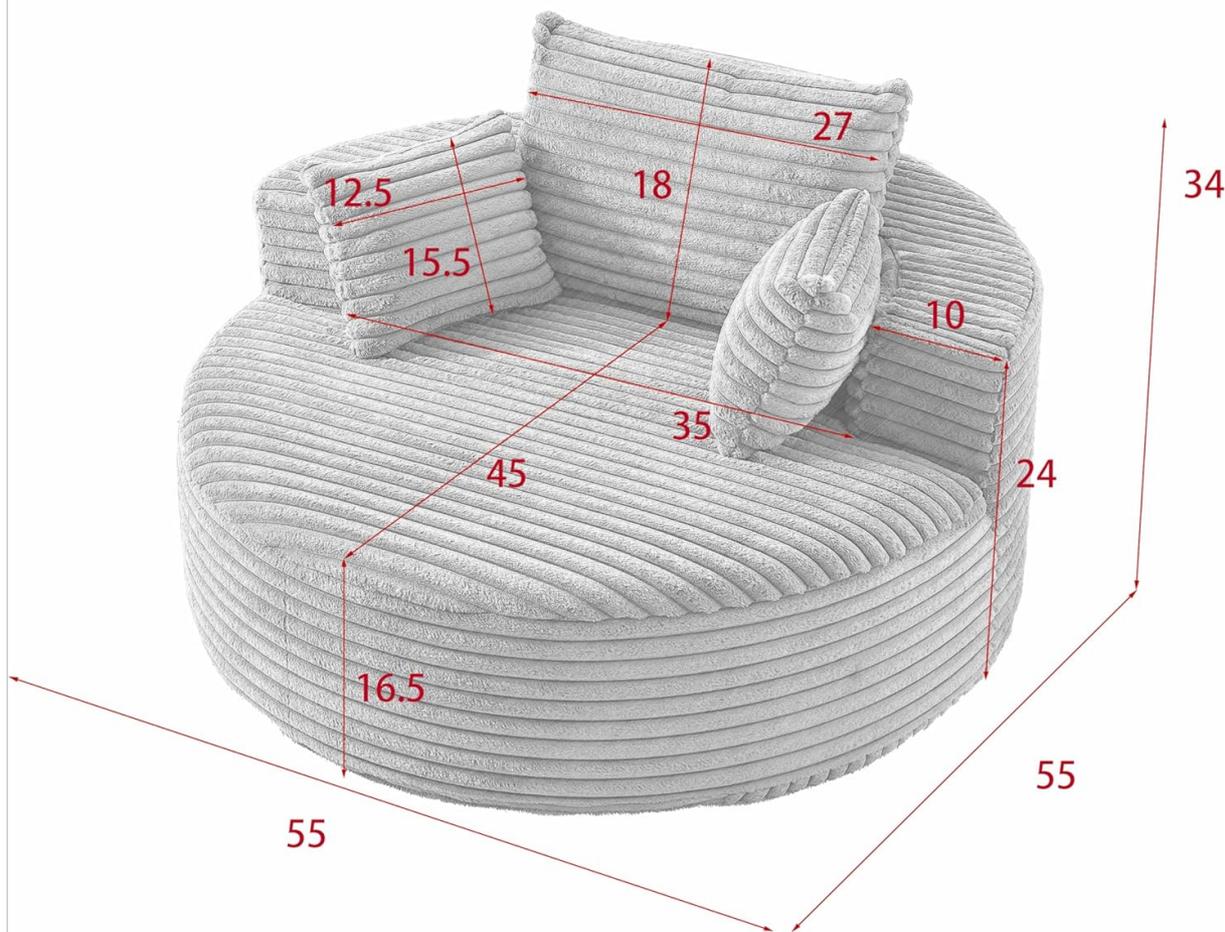

- **Cushions not fully expanded:** If after 72 hours the cushions have not fully expanded, gently massage and fluff them. Ensure the chair is in a well-ventilated room at a comfortable temperature. Continued compression may require additional time to fully decompress.
- **Minor color variations:** Please note that actual product colors may vary slightly from images due to different screen settings and lighting conditions. This is considered normal.
- **Slight dimension deviations:** Due to the hand-measured nature of furniture, minor deviations in dimensions may occur. These are typically within acceptable manufacturing tolerances.
