REDMAGIC 10 PRO 5G

REDMAGIC 10 PRO 5G User Guide

Comprehensive instructions for your REDMAGIC 10 PRO 5G smartphone.

INTRODUCTION

This user guide provides detailed instructions for operating your REDMAGIC 10 PRO 5G smartphone. Please read this manual thoroughly to ensure proper use and to maximize the device's capabilities. Keep this guide for future reference. The REDMAGIC 10 PRO 5G is designed for high-performance mobile gaming, featuring advanced hardware and software optimizations. Understanding its functions will enhance your experience.

IMPORTANT SAFETY INFORMATION

Before using your device, please read all safety warnings and instructions. Failure to follow these instructions may result in injury, damage to your device, or other hazards.

- Do not expose the device to extreme temperatures, direct sunlight, or moisture.
- Use only manufacturer-approved chargers and accessories.
- Avoid dropping or subjecting the device to severe impact.
- Do not attempt to disassemble or repair the device yourself. Refer to qualified service personnel.
- Keep the device away from medical implants, such as pacemakers, to avoid interference.

PRODUCT OVERVIEW

This section provides a general overview of the REDMAGIC 10 PRO 5G smartphone. For detailed visual references of the device's physical components, please refer to the official REDMAGIC website or the device's packaging.

Key Device Components (General):

While specific diagrams are not available in this guide, the REDMAGIC 10 PRO 5G typically includes the following key components:

- **Display:** High-refresh-rate AMOLED screen.
- **Power Button:** For device power and screen lock/unlock.
- **Volume Buttons:** To adjust audio levels.
- **USB-C Port:** For charging and data transfer.
- **Camera Module:** Rear and front cameras.

- **Air Triggers:** Capacitive shoulder buttons for gaming.
- **Cooling Fan Vent:** Part of the active cooling system.
- **SIM Card Tray:** For Nano-SIM card installation.

SETUP

1. Initial Charging

Before first use, fully charge your REDMAGIC 10 PRO 5G using the provided USB-C cable and power adapter. The device supports 80W fast charging.

1. Connect the USB-C cable to the phone's charging port.
2. Connect the other end of the cable to the power adapter.
3. Plug the power adapter into a wall outlet.
4. The charging indicator will appear on the screen.

2. SIM Card Installation

To use cellular services, install a Nano-SIM card.

1. Locate the SIM card tray on the side of the device.
2. Insert the SIM ejector tool into the small hole next to the tray and press gently until the tray pops out.
3. Place the Nano-SIM card(s) into the tray with the gold contacts facing down.
4. Carefully reinsert the tray into the device.

3. Powering On and Initial Configuration

1. Press and hold the Power button until the REDMAGIC logo appears.
2. Follow the on-screen prompts to select your language, connect to Wi-Fi, and set up your Google account.
3. Configure security settings such as fingerprint unlock or facial recognition.

OPERATING INSTRUCTIONS

Basic Navigation

- **Home Screen:** Swipe left or right to navigate between screens.
- **App Drawer:** Swipe up from the bottom of the screen to access all installed applications.
- **Notifications Panel:** Swipe down from the top of the screen to view notifications and quick settings.

Gaming Features

The REDMAGIC 10 PRO 5G is optimized for gaming. Utilize the dedicated Game Space for enhanced performance.

- **Game Space:** Swipe the red switch on the side of the phone to enter Game Space. This mode optimizes CPU/GPU performance, blocks notifications, and provides access to gaming tools.
- **Air Triggers:** Customize the function of the capacitive shoulder triggers within Game Space settings for specific games.
- **Cooling Fan:** The active cooling fan can be manually controlled or set to automatic within Game Space to maintain optimal device temperature during intense gaming sessions.
- **Performance Modes:** Select different performance profiles (e.g., "Balanced," "Pro Mode") to adjust CPU/GPU clock speeds and power consumption.

Camera Usage

Access the camera application from the home screen or app drawer.

- **Photo Mode:** Tap the shutter button to take a picture.
- **Video Mode:** Switch to video mode and tap the record button to start/stop recording.
- **Settings:** Adjust resolution, aspect ratio, and other camera parameters in the camera settings menu.

MAINTENANCE

Cleaning the Device

- Use a soft, lint-free cloth to clean the screen and body of the phone.
- Avoid using harsh chemicals or abrasive materials.
- For stubborn smudges, lightly dampen the cloth with water or a screen cleaner.

Software Updates

Regularly check for and install software updates to ensure optimal performance and security.

1. Go to **Settings > System > Software Update**.
2. Follow the on-screen instructions to download and install any available updates.

Battery Care

- Avoid fully discharging the battery frequently.
- Do not leave the device charging for extended periods after it reaches 100%.
- Optimal battery health is maintained by keeping the charge between 20% and 80%.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not power on.	Low battery, software crash.	Charge the device for at least 30 minutes. Perform a force restart by holding the Power button for 10-15 seconds.
Apps are crashing or freezing.	Insufficient RAM, app conflict, outdated app.	Close background apps. Clear app cache (Settings > Apps > [App Name] > Storage > Clear Cache). Update the app from the Play Store.
Poor Wi-Fi connection.	Router issue, incorrect password, interference.	Restart your Wi-Fi router. Forget and reconnect to the Wi-Fi network. Ensure you are within range.
Device overheating.	Intensive usage, blocked cooling vents.	Reduce usage, especially during charging. Ensure cooling vents are clear. Activate the cooling fan in Game Space.

SPECIFICATIONS

The following table outlines the key technical specifications for the REDMAGIC 10 PRO 5G.

Feature	Detail
Model	REDMAGIC 10 PRO 5G

Feature	Detail
Processor	Snapdragon (specific model not provided, assumed high-end)
Display	165Hz AMOLED
Charging	80W Fast Charging (USB-C)
Cooling	Active Cooling Fan
Connectivity	5G, Wi-Fi, Bluetooth
Operating System	Android (version not specified)
Dimensions	6 x 0.48 x 9 inches (packaging dimensions, actual device dimensions not provided)
Weight	13.3 ounces (packaging weight, actual device weight not provided)

WARRANTY AND SUPPORT

Warranty Information

For specific warranty terms and conditions, please refer to the official REDMAGIC website or the warranty card included with your device. Typically, devices come with a limited manufacturer's warranty covering defects in materials and workmanship for a specified period from the date of purchase.
