# Make It Real Swift Clicks Deluxe Bracelet Studio Instruction Manual

Model: 1807 | Brand: Make It Real

## 1. INTRODUCTION

---

Welcome to the world of creative bracelet making with the Make It Real Swift Clicks Deluxe Bracelet Studio! This innovative tool simplifies and expedites the process of creating colorful friendship bracelets, combining traditional bead play with an easy-to-use threading mechanism. Designed for ages 8 and up, this studio allows you to effortlessly design and craft over 30 unique bracelets using a variety of heishi beads and alphabet beads.

## 2. SETUP

---

Before you begin creating, ensure all components are present and properly assembled.

1. **Unpack Components:** Carefully remove all items from the packaging. You should have:

- 1 Bracelet Maker Base
- 1 Bead Carousel (pre-loaded with 23 bead colors)
- 1 Threading Stem
- 1 Funnel
- Elastic Cord
- Alignment Tool
- Assorted Heishi Beads and Alphabet Beads

2. **Familiarize with Components:**

3. **Attach Bead Carousel:** Securely place the bead carousel onto the bracelet maker base. Ensure it clicks into place.
4. **Thread Elastic Cord:** Insert one end of the elastic cord through the eye of the threading stem.
5. **Load Beads (if refilling):** If you need to add more beads to the carousel compartments, use the provided funnel to easily pour them into the desired sections.

### 3. OPERATING INSTRUCTIONS

Follow these steps to create your custom bracelets:

1. **Prepare for Threading:** Ensure the elastic cord is threaded through the threading stem and positioned correctly in the base.
2. **Select Bead Color:** Rotate the bead carousel to align your desired bead color directly over the threading bar.
3. **Thread Beads:** Press the button on the side of the bracelet maker base. Each press will thread one bead onto the elastic cord. Continue pressing to add more beads of the same color.

4. **Change Colors:** To switch to a different color, simply rotate the carousel again until the new color is aligned, then continue pressing the button.
5. **Add Alphabet Beads:** For personalized messages, manually add alphabet beads onto the elastic cord at any point during the threading process. You can then continue using the Swift Clicks mechanism to add more heishi beads.
6. **Complete Your Bracelet:** Once you have threaded enough beads for your desired bracelet length, carefully remove the elastic cord from the threading stem. Tie a secure knot to finish your bracelet.

## 4. MAINTENANCE

- **Bead Storage:** Store any extra beads neatly in the center compartment of the carousel to keep them organized and prevent loss.
- **Refilling:** Use the provided funnel to easily refill any empty carousel compartments with new beads.
- **Cleaning:** Wipe the bracelet studio with a soft, damp cloth as needed. Do not immerse in water.
- **Storage:** When not in use, store the bracelet studio in a cool, dry place away from direct sunlight.

## 5. TROUBLESHOOTING

- **Beads are getting stuck:** If beads are not threading smoothly or appear stuck, use the provided alignment tool (a small plastic stick) to gently dislodge them and ensure proper alignment within the threading mechanism.
- **Beads are not threading:** Ensure the elastic cord is correctly positioned through the threading stem and that the bead carousel is properly aligned with the threading bar. Check for any obstructions.
- **Difficulty with cord threading:** If the elastic cord is difficult to thread through the stem, ensure the end is cut cleanly and is not frayed.
