## ONEMMLION 107"-U Shaped

# ONEMMLION Cloud Couch Sectional Modular Sofa

MODEL: 107"-U SHAPED GREY - RIGHT FACING

*Your guide to setup, use, and care.*

### Introduction

---

Thank you for choosing the ONEMMLION Cloud Couch Sectional Modular Sofa. This U-shaped sectional is designed for versatile comfort and modern style, featuring a boneless construction that allows for endless configurations. Its plush corduroy fabric and high-resilience memory foam with coil springs provide a cloud-like seating experience. This manual provides essential information for setting up, using, and maintaining your new sofa.

### Setup Instructions

---

Your ONEMMLION Cloud Couch is designed for ease of setup with no assembly required. The sofa components are vacuum-packed for efficient shipping and will expand upon opening.

- Unboxing:** Carefully cut open the outer cardboard packaging.
- Remove Plastic Wrapping:** Locate the compressed sofa components inside their plastic wrapping. Carefully cut and remove the plastic. The sofa will begin to expand immediately.
- Expansion Time:** Allow 3 to 7 days for the sofa components to fully expand and mold to their intended shape. For optimal plushness, it is recommended to allow up to 72 hours.
- Accelerating Expansion:** To speed up the expansion process, gently pat the sofa components. You may also use a garment steamer or hairdryer (on low heat, held at a safe distance) to help relax the fabric and foam.
- Arrangement:** Once fully expanded, arrange the modular components into your desired U-shaped configuration.

## Maintenance

---

Proper care will ensure the longevity and appearance of your ONEMMLION Cloud Couch.

- **Cleaning:** The corduroy fabric is stain-resistant. For spills, blot immediately with a clean, dry cloth. For general cleaning, spot clean with a mild detergent and water solution. Avoid harsh chemicals. Steaming can help refresh the fabric and remove minor wrinkles.
- **Cushion Care:** While seat cushion covers are not removable, the throw pillow covers may be removable for cleaning. Refer to the care tag on individual pillows for specific instructions. Regularly fluff and rotate cushions to maintain their shape and even out wear.
- **General Care:** Keep the sofa away from direct sunlight to prevent fading. Avoid placing it near heat sources.

## Troubleshooting

---

- **Cushions Not Fully Expanded:** If cushions appear compressed after the initial expansion period, allow

more time (up to 7 days). Gently patting and applying steam (from a safe distance) can help accelerate the process.

- **Fabric Marks:** The plush corduroy fabric may show pressure marks from packaging or use. These can often be smoothed out by gently brushing the fabric in one direction or by steaming.
