For detailed written instructions, please refer to the manual included in your product packaging. Each step is clearly illustrated and components are numbered to simplify the process.

4. Operating the Charging Station

The integrated charging station provides convenient power access for your electronic devices.

Usage:

1. Locate the flip-top panel on the tabletop. Gently lift it to reveal the charging station.
2. Plug the table's main power cord into a wall outlet.
3. The charging station includes 2 standard AC outlets and 2 USB ports. Plug your devices into the appropriate ports.
4. An independent power switch is provided for one-touch control. Use this switch to turn the power to the outlets and USB ports on or off without unplugging the table from the wall.
5. When not in use, you can close the flip-top panel to conceal the charging station and protect it from spills.

Preventative Measures:

- Avoid placing hot items directly on the tabletop; use coasters or protective pads.
- Keep the table away from direct sunlight and extreme temperature changes to prevent warping or fading.
- Regularly check and tighten any loose screws or fittings to maintain stability.

7. Troubleshooting

If you encounter any issues with your end table, please refer to the following common solutions:

Charging Station Not Working:

- Ensure the table's main power cord is securely plugged into a functional wall outlet.
- Check that the independent power switch on the charging station is in the 'ON' position.
- Verify that your device's charging cable is properly connected to both the device and the USB port/AC outlet.
- Test the wall outlet with another appliance to confirm it is receiving power.

Drawer Sticking or Not Sliding Smoothly:

- Ensure the drawer is not overloaded or unevenly weighted.
- Check the drawer slides for any obstructions or debris. Clean if necessary.
- Verify that the drawer slides were installed correctly during assembly.

Table Wobbles:

- Ensure the table is placed on a flat, even surface.
- Check all assembly screws and bolts to ensure they are securely tightened.
