BTHFST TS05

BTHFST TV Stand with Mount (Model TS05) Instruction Manual

Model: TS05 | Brand: BTHFST

Introduction

Thank you for choosing the BTHFST TV Stand with Mount. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and optimal use of your product. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information

- **Weight Limit:** Do not exceed the maximum weight limit of 110 lbs (50 kg) for the TV stand.
- **Proper Installation:** Ensure proper installation of all components, especially the TV mount and anti-tipping device, to prevent tipping or other hazards.
- **Electrical Safety:** When using the built-in power outlets, ensure that connected devices do not exceed the specified electrical ratings. Avoid overloading the outlets.
- **Children Safety:** Keep small parts and packaging materials away from children. Always supervise children around the TV stand.
- **Stability:** Place the TV stand on a flat, stable surface. Uneven surfaces can compromise stability.
- **Ventilation:** Ensure adequate ventilation around electronic devices placed on the stand to prevent overheating.

Product Features

- **Integrated TV Mount:** Supports TVs from 32 to 70 inches, with a weight capacity of up to 110 lbs. Features 3 height adjustment levels (43" - 48.8" from floor).
- **Ample Storage:** Includes a 51.2" L x 13" W storage shelf and 5 large storage PU fabric drawers for media accessories, DVDs, books, and other essentials.
- **Smart LED Lights:** Two LED strips (in open storage shelf and floating base) offer over 60,000 colors, mic, music, and various timing dynamic modes, controllable via app or key.
- **Built-in Power Outlets:** Handy charging station with 2 AC outlets, 1 USB-A port, and 1 Type-C port for convenient

device charging.

- **Cable Management:** Back wire holes and cable management features keep cords organized and out of sight.
- **Durable Construction:** Made from high-quality steel and FSC-certified engineered wood for the open storage shelf and desktop.
- **Anti-Tipping Device:** Included for enhanced stability and safety.

Setup and Assembly

The BTHFST TV Stand with Mount is designed for straightforward assembly. Please follow the included detailed instructions, which feature numbered components and all necessary tools.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify against the parts list in the separate assembly guide to ensure all items are present.
2. **Assemble Frame:** Follow the step-by-step diagrams to assemble the main frame of the TV stand.
3. **Install Shelves and Drawers:** Attach the shelves and insert the fabric drawers as indicated in the instructions.
4. **Mount TV Bracket:** Assemble the TV mount according to the instructions. Attach it to the TV stand's central support.
5. **Attach TV:** Securely attach your TV to the mounted bracket. Ensure the TV is centered and level.
6. **Adjust TV Height:** Utilize the 3 height adjustment options on the brackets to set your preferred TV viewing height (total height 43" - 48.8" from floor).
7. **Install Anti-Tipping Device:** For added safety, install the anti-tipping device by securing it to the wall behind the TV stand.
8. **Connect Power Outlets:** Plug the TV stand's power cord into a wall outlet to activate the built-in charging station and LED lights.
9. **Organize Cables:** Use the integrated cable holes to route and organize all TV and device cables.

Operating Instructions

LED Lighting System

The TV stand features integrated LED lighting with multiple customization options.

- **Control Methods:** The LED lights can be controlled via a dedicated mobile application or a physical key control. Refer to the separate LED light instruction sheet for app download and pairing details.
- **Color Selection:** Choose from over 60,000 colors to match your mood or decor.
- **Dynamic Modes:** Explore various dynamic modes, including mic-sync, music-sync, and different timing options.

Built-in Power Outlets

The integrated power strip provides convenient access to power for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for standard electronics.
- **USB Ports:** One USB-A port and one Type-C port (5V/2A) are provided for charging mobile devices.
- **Power Cord:** The unit includes a 6.0-foot power cord. Ensure it is plugged into a grounded wall outlet.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the stand and TV to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Drawer Care:** The PU fabric drawers can be spot cleaned with a mild detergent and damp cloth. Allow to air dry completely.

Troubleshooting

- **LED Lights Not Working:**
  - Ensure the power cord for the TV stand is securely plugged into a working outlet.
  - Check the connection of the LED strips to the control unit.
  - Verify that the remote control or app is properly paired and has fresh batteries (if applicable).
- **Power Outlets Not Functioning:**
  - Confirm the TV stand's main power cord is plugged in.
  - Check if the wall outlet is functional by plugging in another device.
  - Avoid overloading the outlets; unplug some devices if too many are connected.
- **TV Not Stable on Mount:**
  - Recheck all mounting hardware and ensure screws are tightened according to the assembly instructions.
  - Verify that your TV's weight and size are within the specified limits (up to 110 lbs, 32-70 inches).
  - Ensure the TV stand is on a level surface.
- **Missing Parts or Damaged Components:**
  - Refer to the contact information in the Warranty & Support section for assistance. Do not attempt to assemble with missing or damaged parts.
