Tribesigns Narrow End Table Instruction Manual

MODEL: HOGA-RY0278

Introduction

Thank you for choosing the Tribesigns Narrow End Table. This versatile furniture piece is designed to enhance your living space with its rustic charm and practical storage. Featuring a two-tier shelving unit, it provides ample space for books, lamps, plants, and other decorative items. Its robust construction ensures durability and stability. This manual provides essential information for safe assembly, proper use, and effective maintenance of your new end table.

Safety Information

- Ensure all parts are securely fastened before use.
- Do not exceed the maximum weight recommendation of 50 kg (110 lbs) for the tabletop.
- Place the table on a flat, stable surface to prevent tipping.
- Keep small parts away from children during assembly.

Package Contents

Your Tribesigns Narrow End Table package includes all necessary components and tools for assembly. Please verify that all parts are present and undamaged before beginning assembly. All components are labeled for easy identification.

Assembly Instructions

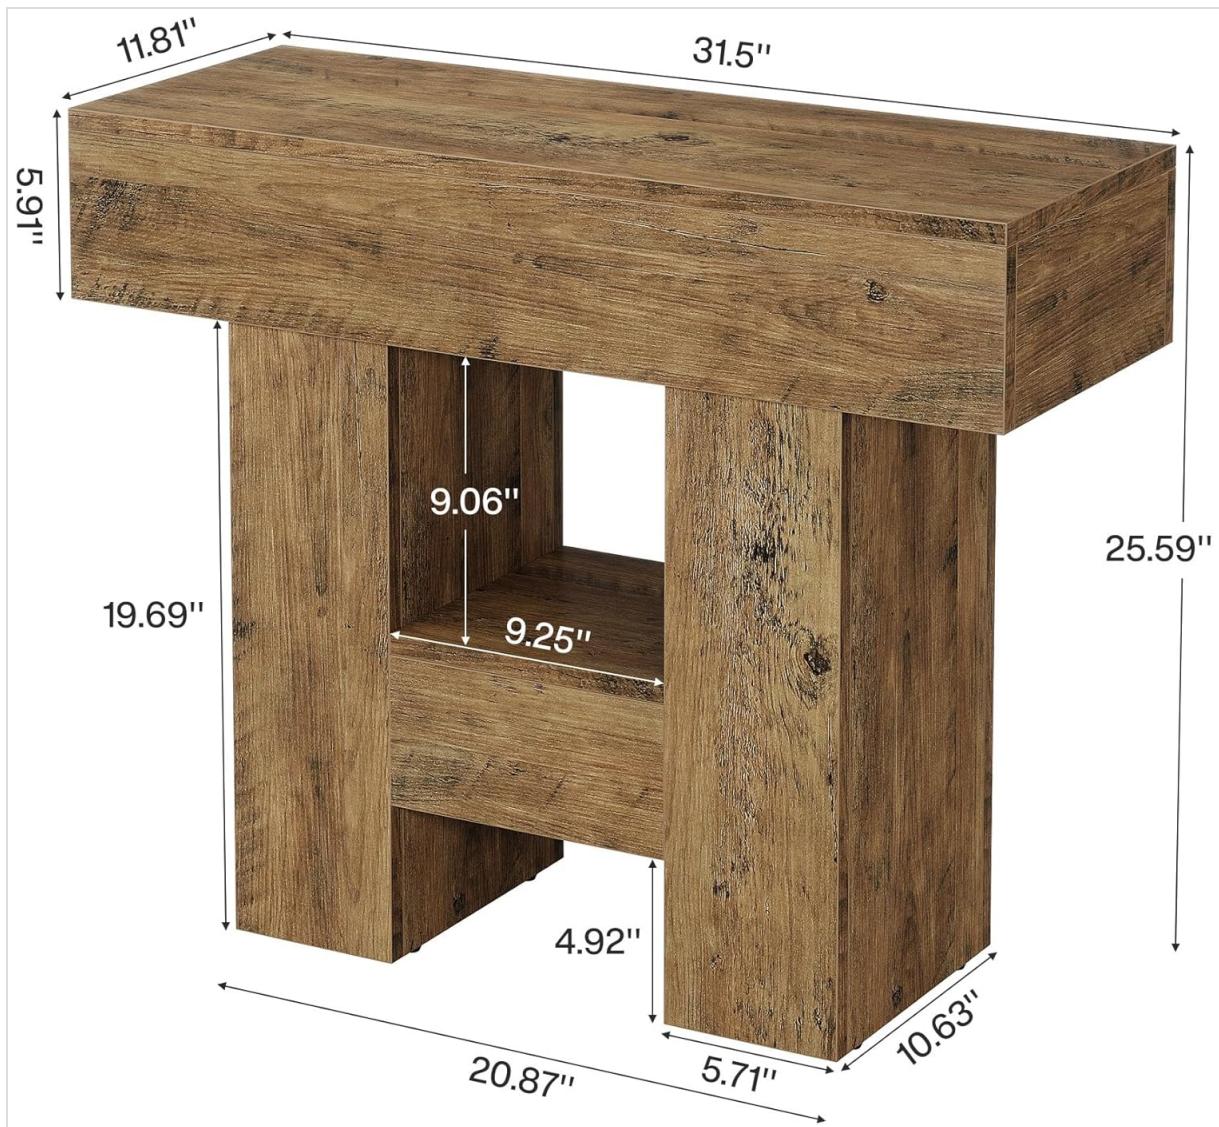

Follow these steps carefully to assemble your end table. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

1. Unpack all components and lay them out. Identify each part using the provided labels.
2. Follow the detailed graphical instructions included in your package to connect the main structural elements.
3. Secure all connections with the provided hardware, ensuring they are tightened but do not overtighten.
4. Once assembled, gently place the table in its desired location.
