1. PRODUCT OVERVIEW

The WLIVE TV Stand Dresser is a versatile entertainment center designed to accommodate televisions up to 60 inches. It features integrated LED lighting, multiple fabric drawers for storage, and open shelves for media devices or decorative items. This unit is suitable for various living spaces, including bedrooms and living rooms, providing both functionality and aesthetic appeal.

Key Features:

- **Multifunctional Entertainment Center:** Features 60,000 color rhythm LED lights, adjustable via remote control or app, with music synchronization for personalized ambiance.
- **Ample Storage:** Measures 55.1"W x 30.3"D x 12.9"H, suitable for 50/55/60" TVs. Includes 8 detachable fabric drawers and spacious wood top for organized storage and display.
- **Stable and Safe Structure:** Constructed with a 15mm thickened metal steel frame and cross support rods. Supports up to 110 lbs and includes an anti-tilt device for enhanced safety.
- **Durable Quality Materials:** Drawers are made of 3-layer high-quality fiberboard and breathable non-woven fabric. The desktop is P2 grade artificial wood, scratch-resistant and easy to clean. Materials are EPA&SGS tested for health and environmental protection.
- **Premium Details:** Equipped with smooth slide tracks, curved handles, and 9 all-directional adjustable feet to protect floors and facilitate movement.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tilt Device:** Always install the included anti-tilt device to secure the TV stand to a wall. This prevents accidental tipping, especially important in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 110 lbs for the top surface. Distribute weight evenly across shelves and drawers.
- **Proper Placement:** Place the TV stand on a flat, level, and stable surface. Uneven surfaces can compromise stability.
- **Electrical Safety:** Ensure all electrical connections for the LED lights are properly secured and follow local electrical

codes. Do not overload power outlets.

- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly. Ensure the unit is stable before allowing children near it.

3. ASSEMBLY INSTRUCTIONS

This section provides a step-by-step guide for assembling your WLIVE TV Stand Dresser. It is recommended to have a second person assist with assembly.

3.1. Before You Begin

- **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
- **Verify Parts:** Check the parts list against the contents of your package. Ensure all screws and parts are present. Contact customer support immediately if any parts are missing or damaged.
- **Tools Required:** A Phillips head screwdriver and an Allen wrench (usually included) are required. Using your own tools may expedite the process.

3.2. Step-by-Step Assembly

1. **Assemble the Metal Frame:** Connect the vertical and horizontal metal bars using the provided screws. Ensure all connections are tight and secure.
2. **Install Shelves:** Place the wooden shelves into the designated slots within the metal frame. Secure them with screws as indicated in the detailed guide.
3. **Attach Adjustable Feet:** Screw the 9 all-directional adjustable feet into the bottom of the metal frame. Adjust them to ensure the stand is level on your floor.
4. **Prepare Fabric Drawers:** Assemble the fabric drawers by inserting the bottom panels and handles. The drawers consist of 3 layers of high-quality fiberboard for durability.
5. **Insert Drawers:** Slide the assembled fabric drawers into their respective compartments.
6. **Install LED Lights:** Adhere the LED light strip to the underside of the top shelf or as directed in the specific LED installation guide. Connect the power supply.
7. **Install Anti-Tilt Device:** Secure the anti-tilt device to the back of the TV stand and then to a wall stud using appropriate hardware.

4. OPERATION GUIDE

4.1. LED Lights Operation

The integrated LED lights offer a wide range of customization options to enhance your viewing or living experience.

- **Power On/Off:** Use the provided remote control or the dedicated button on the LED controller to turn the lights on or off.
- **Color Selection:** Cycle through over 60,000 RGB colors using the remote or the mobile application.
- **Brightness and Speed:** Adjust the light intensity and speed level of dynamic modes via the remote control or the app.
- **Music Synchronization:** The LED lights can synchronize with music, creating a dynamic atmosphere for entertainment. This feature is controllable via the mobile app.
- **Timing Mode:** Set schedules for the lights to turn on or off automatically using the app's timing function.

4.2. Drawer Usage

The fabric drawers are designed for convenient and organized storage.

- **Detachable Design:** Drawers can be easily removed and reinserted as needed.
- **Smooth Operation:** The drawers are equipped with smooth slide tracks and curved handles for easy opening and closing.
- **Storage Capacity:** Utilize the drawers for storing various items such as remote controls, cables, books, or small personal belongings.

5. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your WLIVE TV Stand Dresser.

- **Cleaning the Surface:** The P2 grade artificial wood desktop is scratch-resistant and easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** The non-woven fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting. Do not machine wash.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth to prevent buildup.
- **Inspecting Connections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your TV stand.

Problem	Possible Cause	Solution
LED lights not turning on.	Power cable disconnected; remote battery dead; LED strip damaged.	Check power connections. Replace remote battery. Contact support if LED strip is faulty.

Problem	Possible Cause	Solution
TV stand feels unstable.	Uneven floor; loose connections; anti-tilt device not installed.	Adjust the leveling feet. Tighten all assembly screws. Install the anti-tilt device to a wall stud.
Drawers are difficult to open/close.	Drawer not properly seated; obstruction; damaged slide track.	Ensure drawers are fully inserted and aligned. Remove any obstructions. Inspect slide tracks for damage.
LED colors not changing or app not connecting.	App not updated; Bluetooth/Wi-Fi issue; controller malfunction.	Ensure app is updated. Check device's Bluetooth/Wi-Fi. Restart LED controller.
