

LIKIMIO HK-TBF-036M

LIKIMIO Twin Daybed with Trundle and Charging Station

Model: HK-TBF-036M | Brand: LIKIMIO

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your LIKIMIO Twin Daybed with Trundle. This versatile furniture piece is designed to offer flexible sleeping arrangements and integrated conveniences for various living spaces.

2. SAFETY INFORMATION

- Do not exceed the maximum weight capacity of 880 lbs for the daybed.
- Exercise caution around the round armrests to avoid pinch points during assembly and operation.
- Ensure all screws and connections are securely tightened before use and periodically check for looseness.
- Keep small parts away from children during assembly to prevent choking hazards.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package includes:

- Daybed Frame (Metal)
- Trundle Bed Frame (Metal)
- Upholstered Headboard with Integrated Charging Station
- Storage Pockets (Fabric)
- Assembly Hardware and Tools

- Installation Manual

4. SETUP AND ASSEMBLY

Assembly typically takes approximately 1.5 hours with two people. Follow the included installation manual for detailed, step-by-step instructions. Ensure all connections are firm for stability.

4.1 Frame Construction

The daybed frame is constructed from durable, laser-welded steel. The main daybed and trundle components are designed for secure connection and separation.

4.2 Trundle Bed Assembly

The trundle bed features six caster wheels for smooth movement, with four wheels equipped with brakes for stability. Mattress slide stoppers are included to keep the mattress securely in place on both the main daybed and the trundle.

5. OPERATING INSTRUCTIONS

5.1 Versatile Usage

The LIKIMIO Twin Daybed offers three primary configurations:

- **Daybed Mode:** Use as a comfortable sofa or single twin bed.
- **Two Twin Beds:** Pull out the trundle to create two separate twin beds.
- **King-Size Bed:** Position the trundle alongside the main daybed to form a spacious king-size sleeping area.

3 WAYS OF USAGE

Let it Stand

Daybed

Pull it Out

Image: Visual representation of the three usage modes: Daybed, Trundle Pulled Out, and Trundle Extended.

5.2 Trundle Operation

To deploy the trundle, release any engaged brakes on the caster wheels. Gently pull the trundle frame out from under the main daybed. To retract, push the trundle back into position and engage the brakes for stability.

5.3 Integrated Charging Station

The upholstered headboard features a built-in charging station. This includes:

- 2 AC Outlets (125V/12A)
- 1 USB Port (5V/2A)
- 1 Type-C Port (5V/2A)

Connect the power cord from the headboard to a wall outlet to activate the charging ports.

STORAGE AND CHARGING 2 IN 1 HEADBOARD

5.4 Storage Features

The daybed includes a storage headboard shelf for placing items like books or electronic devices. Additionally, practical storage pockets are located on the armrests for convenient access to smaller items.

SAFE ROUND DESIGN

Avoid Bumps and Scratches

STORAGE BAG DESIGN

Solve The Problem of Item Categorization

6. MAINTENANCE

- **Cleaning:** For the linen upholstered parts, spot clean with a damp cloth and mild detergent. For the metal frame, wipe with a soft, dry cloth. Avoid harsh chemicals.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Tighten any loose hardware to maintain stability and prevent noise.
- **Trundle Wheels:** Keep trundle caster wheels free of debris to ensure smooth operation.

7. TROUBLESHOOTING

- **Bed Frame is Noisy:** Check all assembly screws and bolts. Tighten any that are loose. Ensure the bed is on a level surface.
- **Mattress Slides:** Verify that the plastic mattress stoppers are correctly installed and positioned to prevent mattress movement.
- **Trundle Does Not Slide Smoothly:** Check for any obstructions under the bed. Ensure caster wheels

are clean and free of debris. Verify that the trundle legs are properly folded or extended as needed.

- **Trundle Mattress Fit:** For optimal fit, the trundle bed typically accommodates a mattress thinner than the main daybed mattress (e.g., 6-8 inches for the trundle, 8-10 inches for the main bed).

8. SPECIFICATIONS

Brand	LIKIMIO
Model Number	HK-TBF-036M
UPC	791137320962
Size	Twin
Material	Linen, Metal
Product Dimensions (L x W x H)	77.2" x 43.7" x 41.3"
Item Weight	90.2 Pounds
Maximum Weight Recommendation	880 Pounds
Special Features	Charging Station, No Box Spring Needed, Storage Headboard, Upholstered
