3. SETUP GUIDE

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The case features a dual LED digital display to show the battery level of both the earbuds and the case.

1. Place the earbuds into the charging case. Ensure they are properly seated to initiate charging.
2. Connect the USB-C charging cable to the charging port on the case and plug the other end into a USB power source.
3. The LED display on the case will show the charging status. A full charge for the case takes approximately 2 hours.

3.2 Wearing the Earbuds

For optimal sound quality and comfort, choose the correct size silicone earplugs (S, M, L) and ensure the earbuds are worn correctly.

1. Select the earplug size that provides a snug fit in your ear canal.
2. Pick up the headphones and insert the earbud into your ear canal.
3. Revolve the ear hook until it sits comfortably and securely behind your ear.

4. Adjust the earbud to your comfortable angle for the best listening experience.

Image: A three-step guide showing how to select ear tips, insert the earbud into the ear canal, and adjust the ear hook for a stable fit.

3.3 Bluetooth Pairing

The YT18 earbuds feature one-step auto pairing for convenience.

1. Ensure the earbuds are charged.
2. Open the charging case and remove both earbuds. They will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
4. Search for new devices and select "YT18" from the list to connect.
5. Once connected, the earbuds will automatically pair with your device whenever you take them out of the case.

Dual Mic & cVc Noise Cancellation

Higher-order noise cancellation arithmetic and ENC ensures clear calls without any disruption along with dual mic in each earbud

5. MAINTENANCE

5.1 Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Gently remove any earwax or debris from the ear tips and speaker mesh using a small, soft brush or cotton swab.
- Do not use abrasive materials, solvents, or aerosol sprays.

5.2 Water Resistance (IP7)

The YT18 earbuds feature an IP7 waterproof rating, protecting them from sweat and rain. They are suitable for workouts and outdoor activities.

- Do not submerge the earbuds in water.
- Ensure the earbuds are dry before placing them back into the charging case to prevent damage to the charging contacts.

One-step Auto Pairing

- 1 Remove the earbuds from charging case.
- 2 Activate Bluetooth Setting, search & click "YT18" to connect.

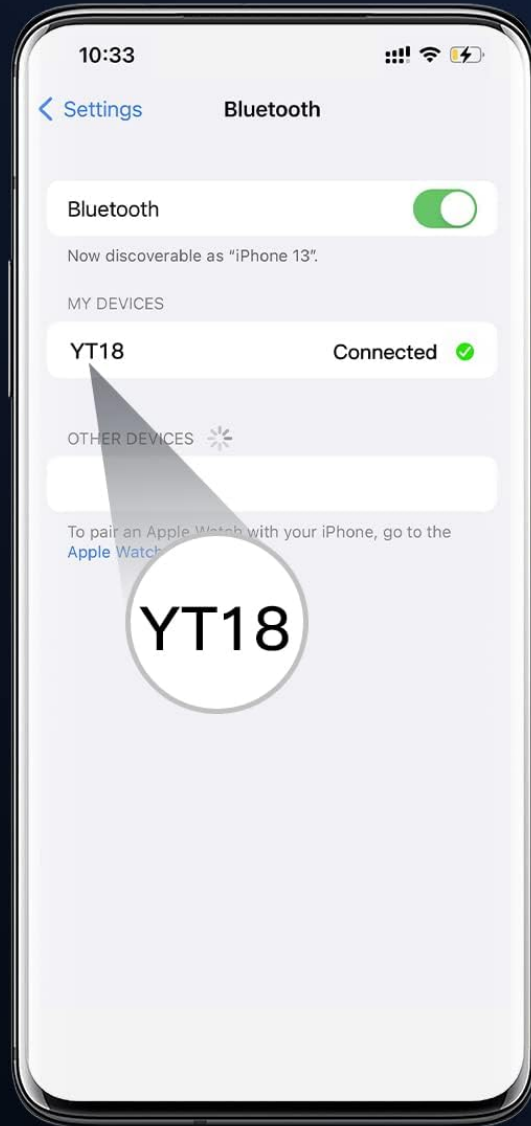

Image: Two individuals exercising, illustrating the IP7 dust and water resistance of the earbuds, suitable for physical activity.

5.3 Storage

When not in use, store the earbuds in their charging case to protect them and ensure they are ready for your next use.

6. TROUBLESHOOTING

If you encounter any issues with your Jesebang YT18 earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "YT18" in your device's Bluetooth settings and re-pair.
Only one earbud working	Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again. Ensure both are charged.
No sound	Check device volume. Ensure earbuds are connected. Try playing different audio.
Charging issues	Ensure USB-C cable is securely connected. Check if the charging port is clean. Try a different USB power source.
Touch controls unresponsive	Ensure your fingers are clean and dry. Restart the earbuds by placing them in the case and taking them out.

7. SPECIFICATIONS

Feature	Detail
Model Name	YT18
Connectivity Technology	Wireless (Bluetooth 5.4)
Ear Placement	Over Ear
Form Factor	In Ear
Audio Driver Size	14.2 Millimeters
Noise Cancellation	ENC Noise Cancelling Mic (4 mics)
Battery Life (Earbuds)	Up to 8 hours (single charge)
Total Playtime (with case)	Up to 48 hours
Charging Case Battery Capacity	400 Milliamp Hours
Charging Case Charging Time	Approx. 2 hours
Bluetooth Range	Up to 15 Meters
Water Resistance Level	IP7 Waterproof
Control Type	Touch Control
Item Weight	4.6 ounces
