## LAATOOREE LET502

# LAATOOREE Mid-Century Nightstand Set of 2 Instruction Manual

Model: LET502 | Brand: LAATOOREE

## 1. INTRODUCTION

---

Thank you for choosing the LAATOOREE Mid-Century Nightstand Set of 2, Model LET502. This manual provides essential information for the safe assembly, operation, and maintenance of your new nightstands. These bedside tables feature an elegant arch door design and solid wood legs, making them a versatile addition to your bedroom or living space.

## 2. SAFETY INFORMATION

---

- Assembly may require careful handling of small parts and tools. Always follow the instructions provided to ensure safe and proper installation.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all connections and fasteners are securely tightened before using the nightstands.
- Do not exceed the maximum weight recommendation of 50 pounds (22.68 kg) for the top surface or inside the compartment.
- Place the nightstands on a flat, stable surface to prevent tipping.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 2 x LAATOOREE Mid-Century Nightstands (disassembled)
- Assembly Hardware (screws, dowels, hinges, magnetic catch)
- Assembly Tools (screwdriver included)

## 4. SETUP AND ASSEMBLY INSTRUCTIONS

---

Assembly is required for this product. It is recommended that one person performs the assembly. An included screwdriver is provided, but a power drill with appropriate bits may be helpful for pre-drilled holes that are tight.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included assembly diagram (not provided in this manual) to identify each panel, leg, and hardware piece.
3. **Assemble the Main Body:** Connect the side panels, back panel, and top/bottom panels using the provided hardware. Ensure all connections are flush and secure.
4. **Attach Legs:** Securely attach the four solid wood legs to the bottom panel of the nightstand using the designated screws. Ensure they are tightened evenly to prevent wobbling.
5. **Install Door:** Attach the arch door using the provided hinges. Ensure the door opens and closes smoothly. Install the magnetic catch to keep the door securely closed.
6. **Final Check:** Verify that all screws and fasteners are tight. Gently test the stability of the nightstand before placing any items on it.

### 5. OPERATING INSTRUCTIONS

---

The LAATOOREE Mid-Century Nightstand is designed for straightforward use.

- **Top Surface:** Place lamps, books, or decorative items on the top surface. Ensure items do not exceed the weight limit of 50 pounds.
- **Storage Compartment:** Open the arch door to access the internal storage space. This area is ideal for keeping bedside essentials organized and out of sight. Close the door gently to engage the magnetic catch.

### 6. MAINTENANCE

---

Proper care will help maintain the appearance and longevity of your nightstands.

- **Cleaning:** Dust regularly with a soft, dry cloth. For spills, wipe immediately with a slightly damp cloth and dry thoroughly.
- **Avoid Chemicals:** Do not use harsh abrasive cleaners, solvents, or polishes, as these can damage the finish.
- **Fastener Check:** Periodically check all screws and fasteners and tighten them if necessary to ensure stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.

## 7. TROUBLESHOOTING

- **Table is Wobbly:**
  - Ensure all leg screws are tightened securely and evenly.
  - Verify that the legs are installed correctly and are not damaged.
  - If the floor surface is uneven, consider using furniture pads or shims under the legs to stabilize the table.
- **Difficulty with Screw Insertion:**
  - Apply firm, even pressure when inserting screws.
  - If pre-drilled holes are too tight, a power drill with an appropriate bit can be used carefully to slightly widen the pilot hole before inserting the screw.
- **Door Not Closing Properly:**
  - Check the alignment of the hinges and adjust if necessary.
  - Ensure the magnetic catch is properly installed and aligned with the metal plate on the door.
  - Verify there are no obstructions preventing the door from closing fully.

## 8. SPECIFICATIONS

Feature	Detail
Brand	LAATOOREE
Model Name	NIGHTSTAND 502
Model Number	LET502
Product Dimensions (D x W x H)	13.8"D x 10.6"W x 21.46"H (35.05 cm x 26.92 cm x 54.51 cm)
Item Weight	18.48 Pounds (8.38 kg)
Maximum Weight Recommendation	50 Pounds (22.68 kg)
