2. PRODUCT FEATURES

- **Perfect Fit for TRAUSI TG08 Smartwatches:** Specifically designed for TG08, ensuring seamless

compatibility and easy installation without gaps or misalignment.

- **Breathable Knitted Structure:** Unique breathable knitted structure accelerates air circulation, effectively removes sweat and heat, avoiding stuffy and sticky, especially suitable for high-intensity sports or hot environments.
- **Comfortable Fit:** Made of high elasticity knitted material, soft and skin-friendly, perfectly fits the wrist curve, allowing long-time wear without pressure during sports, office work, or sleep.
- **Durable Design:** Engineered with ventilation holes to enhance airflow and reduce heat buildup, while reinforced edges prevent fraying for long-lasting use.

3. PACKAGE CONTENTS

The package includes:

- 3x Xininyia Breathable Elastic Nylon Watch Bands

4. SPECIFICATIONS

| Specification | Detail |
|--------------------|----------------------------|
| Material | Fabric |
| Metal type | Stainless Steel |
| Clasp type | Push Button Foldover Clasp |
| Item model number | TG08-3pc-Fabric |
| Package Dimensions | 4.76 x 3.66 x 0.51 inches |

Item Weight

1.06 ounces

5. INSTALLATION

Follow these steps to install the replacement wristband onto your TRAUSI TG08 Smartwatch:

1. Press the pins on the watch band and insert them into the watch lug.
2. Turn the band over and repeat the process for the other side, ensuring both sides are securely attached.
3. Once both sides are attached, turn the strap over again to confirm it is firmly in place.

How to install the Band

1. Press the pins and insert it into the watch lug.

2. Turn the band over.

3. Install the other side and make sure that they are attached firmly.

4. Turn the strap over again and you're done!

Video: Installation and Adjustment Guide

Your browser does not support the video tag.

Video 1: This video demonstrates the installation process of the watch band and how to adjust its size for a comfortable fit.

6. USAGE AND ADJUSTMENT

The elastic nylon bands are designed for easy wear and adjustment:

- **Wearing:** Simply slide the watch band onto your wrist. The elastic material allows for easy stretching.
- **Adjustment:** Use the adjustable buckle to tighten or loosen the band to achieve your desired fit. Ensure it is snug but comfortable, allowing for proper sensor function if applicable.

Image 5: Highlighting the soft and breathable quality of the nylon material.

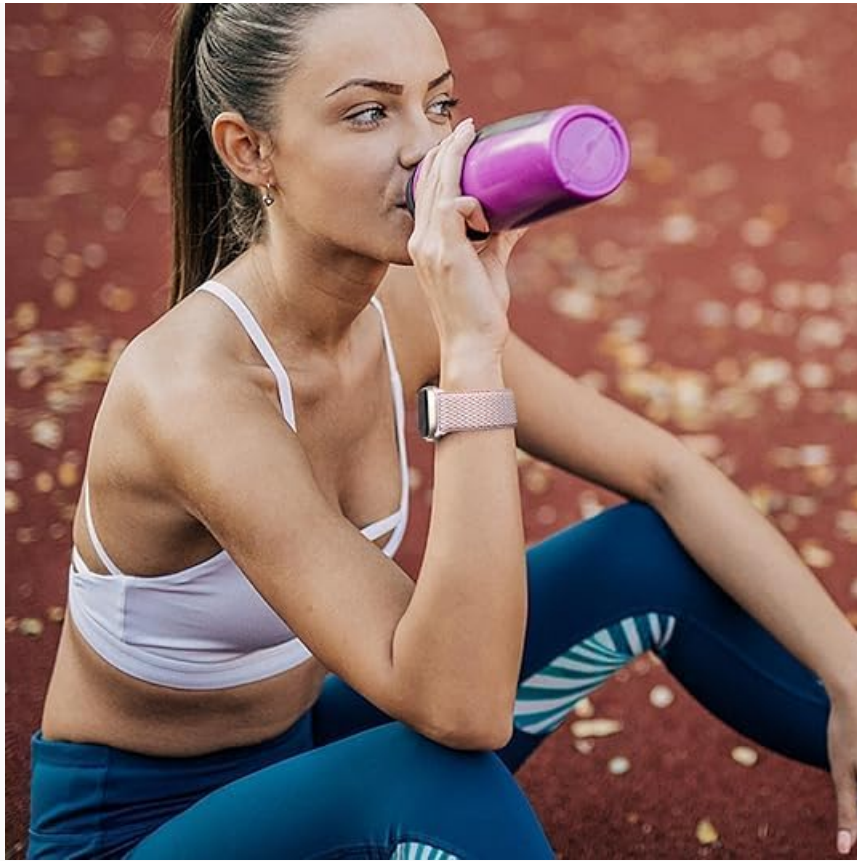

Image 6: Example of the watch band being worn during light activity.

7. MAINTENANCE

To ensure the longevity and hygiene of your watch bands:

- **Cleaning:** The bands are washable. Hand wash with mild soap and water. Rinse thoroughly and allow to air dry completely before reattaching to your smartwatch.
- **Storage:** Store bands in a clean, dry place when not in use.

DURABLE & BREATHABLE

8. TROUBLESHOOTING

- **Band feels too tight/loose:** Adjust the buckle to find the optimal fit. The elastic nature allows for a range of wrist sizes.
- **Difficulty installing:** Ensure the pins are correctly aligned with the watch lugs. Apply gentle pressure to compress the pins before inserting. Refer to the installation video for visual guidance.
- **Skin irritation:** Ensure the band is clean and dry. If irritation persists, discontinue use and consult a healthcare professional.

9. WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your Xininyia TRAUSI TG08 Smartwatch Replacement Wristbands, please refer to the seller's contact information provided at the point of purchase. Specific warranty details may vary and are typically outlined by the seller.
