2. SAFETY INFORMATION

- Please air out the product in a well-ventilated area before initial use to dissipate any manufacturing odors.
- Secure the unit to the wall using the included anti-tip kit to prevent accidental tipping, especially in households with children or pets.
- Adjust the feet to ensure stability on uneven floors. A stable unit reduces the risk of tipping and damage.
- Do not exceed the maximum weight capacities: Top surface holds up to 66 lb (30 kg), and each drawer holds up to 11 lb (5 kg).
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

5. OPERATING INSTRUCTIONS (USAGE)

The SONGMICS BELLAH Nightstand is designed for versatile use in your bedroom or living space.

- **Top Surface:** Use the sturdy engineered wood top for placing lamps, alarm clocks, books, or decorative items. Ensure items do not exceed the 66 lb (30 kg) weight limit.
- **Drawers:** The two non-woven fabric drawers provide concealed storage for personal items, clothing, or accessories. Each drawer has an MDF structure to maintain its shape and can hold up to 11 lb (5 kg). Pull

drawers gently using the handles.

6. MAINTENANCE

To maintain the appearance and longevity of your nightstand, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood top and fabric drawers.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Environment:** Avoid exposing the nightstand to direct sunlight or extreme humidity, which can cause material degradation.

7. TROUBLESHOOTING

If you encounter any issues with your nightstand, please refer to the following common solutions:

- **Wobbling:** If the nightstand feels unstable, check that all screws are tightened and adjust the leveling feet on the bottom of the legs until the unit is stable.
- **Drawers Not Sliding Smoothly:** Ensure the drawers are inserted correctly and are not overloaded. Check for any obstructions within the drawer slots.
- **Missing Parts:** If you find any parts missing during assembly, please cross-reference with the package contents list and contact customer support for assistance.
