Birshe B0CZ6J6H9M

Birshe Inflatable Pool Float User Manual

Model: B0CZ6J6H9M

Product Overview

The Birshe Inflatable Pool Float is designed for ultimate relaxation and enjoyment in water. It features a novel design with a soft and comfortable mesh hammock and inflatable pillows, providing excellent support and comfort. Its ergonomic design allows you to float comfortably on the water surface while staying cool. Made from durable, waterproof PVC material and highly elastic nylon mesh, it is super buoyant and tear-resistant, ensuring endless fun without fading. Each corner is perfectly sealed to prevent air leakage.

Setup Instructions

Inflation

1. Unfold the Birshe Inflatable Pool Float on a clean, flat surface, free from sharp objects.
2. Locate the air valves on the inflatable sections.
3. Open the valve caps and inflate each section using an air pump (not included) until firm but not overinflated. Ensure the inflatable pillows are also adequately inflated for comfort.
4. Securely close all valve caps to prevent air leakage.

Operating Instructions

Usage in Water

- Carefully place the inflated float into the water.
- Gently ease yourself onto the float, ensuring your body is centered on the mesh hammock.
- The ergonomic design allows you to recline comfortably with your head supported by the inflatable pillow, while the mesh bottom keeps you partially submerged and cool.
- Always use in calm water and under adult supervision, especially with children.

Maintenance and Care

Cleaning

After each use, rinse the float with fresh water to remove chlorine, salt, or dirt. Wipe it down with a soft cloth and mild soap if necessary. Ensure it is completely dry before deflating and storing to prevent mold or mildew.

Storage

To store, open the air valves and gently press out all air. Fold the float neatly to its compact size. Store in a cool, dry place away from direct sunlight and sharp objects. Its compact design makes it easy to carry for travel or weekend trips.

Troubleshooting

- **Float loses air quickly:** Check that all air valves are securely closed. Inspect the float for any punctures or small holes. A patch kit (not included) can be used for minor repairs.
- **Difficulty inflating:** Ensure the air pump nozzle is properly inserted into the valve. Check for any obstructions in the valve.
- **Unstable in water:** Ensure the float is fully inflated. Distribute your weight evenly when getting on and using the float.

Product Specifications

Feature	Specification
Brand	Birshe

Feature	Specification
Model Number	B0CZ6J6H9M
Color	Blue
Material Type	Polyvinylchloride (PVC)
Inflated Dimensions (Approx.)	150 cm (Length) x 75 cm (Width) x 30 cm (Height)
Maximum Load Capacity	130 Kilograms
UPC	799793221623
