2. WHAT'S INCLUDED

Your Shark Freestyle Max Cordless Upright Vacuum package includes the following components:

- Shark Freestyle Max Cordless Upright Vacuum
- Charging Dock

3. KEY FEATURES

The Shark Freestyle Max Cordless Upright Vacuum is engineered for powerful and convenient cleaning across various surfaces. Key features include:

- **Powerful Multi-Surface Cleaning:** Offers two brushroll speeds for deep-cleaning both carpets and bare floors with powerful suction.
- **Cordless Convenience:** Provides the freedom to clean any room quickly and easily without tangled cords or the need for nearby wall outlets.

- **Lightweight Maneuverability:** Weighs less than 7 lbs, allowing for easy swiveling around corners and into tight spaces.
- **Easy Maintenance:** Designed to reduce clogs and blockages for long-lasting, consistent performance with minimal upkeep.
- **Large-Capacity Dust Cup:** A larger, removable dust cup allows for extended cleaning sessions and effortless, hands-free debris disposal.
- **LED Headlights:** Integrated headlights on the nozzle illuminate and reveal hidden dirt, debris, and pet hair.

Cordless convenience

The freedom to clean any room, anytime—without tangled cords or the need for nearby wall outlets.

Image 2: The cordless design provides freedom of movement for cleaning.

4. SETUP AND INITIAL CHARGING

Before first use, assemble your vacuum and ensure it is fully charged.

1. **Assembly:** Connect the main vacuum body to the floor nozzle and the handle to the top of the main body until they click securely into place.
2. **Charging:** Place the vacuum onto the charging dock. Ensure the charging dock is plugged into a standard electrical outlet. The indicator lights on the vacuum will show charging status. A full charge provides approximately 20 minutes of battery life.

Cordless battery power

Features a hassle-free charging dock for convenient grab & go access.

Image 3: The charging dock provides convenient storage and power.

5. OPERATING INSTRUCTIONS

Your Shark Freestyle Max is designed for versatile cleaning. Follow these steps for optimal performance:

- 1. Power On/Off:** Press the power button located on the handle to turn the vacuum on or off.
- 2. Select Surface Setting:** Use the 2-speed brushroll control to switch between settings optimized for carpets or bare floors.
- 3. Maneuverability:** The lightweight design allows for easy swiveling around furniture and into tight spaces.
- 4. LED Headlights:** The headlights automatically illuminate, helping to spot hidden debris on all surfaces.

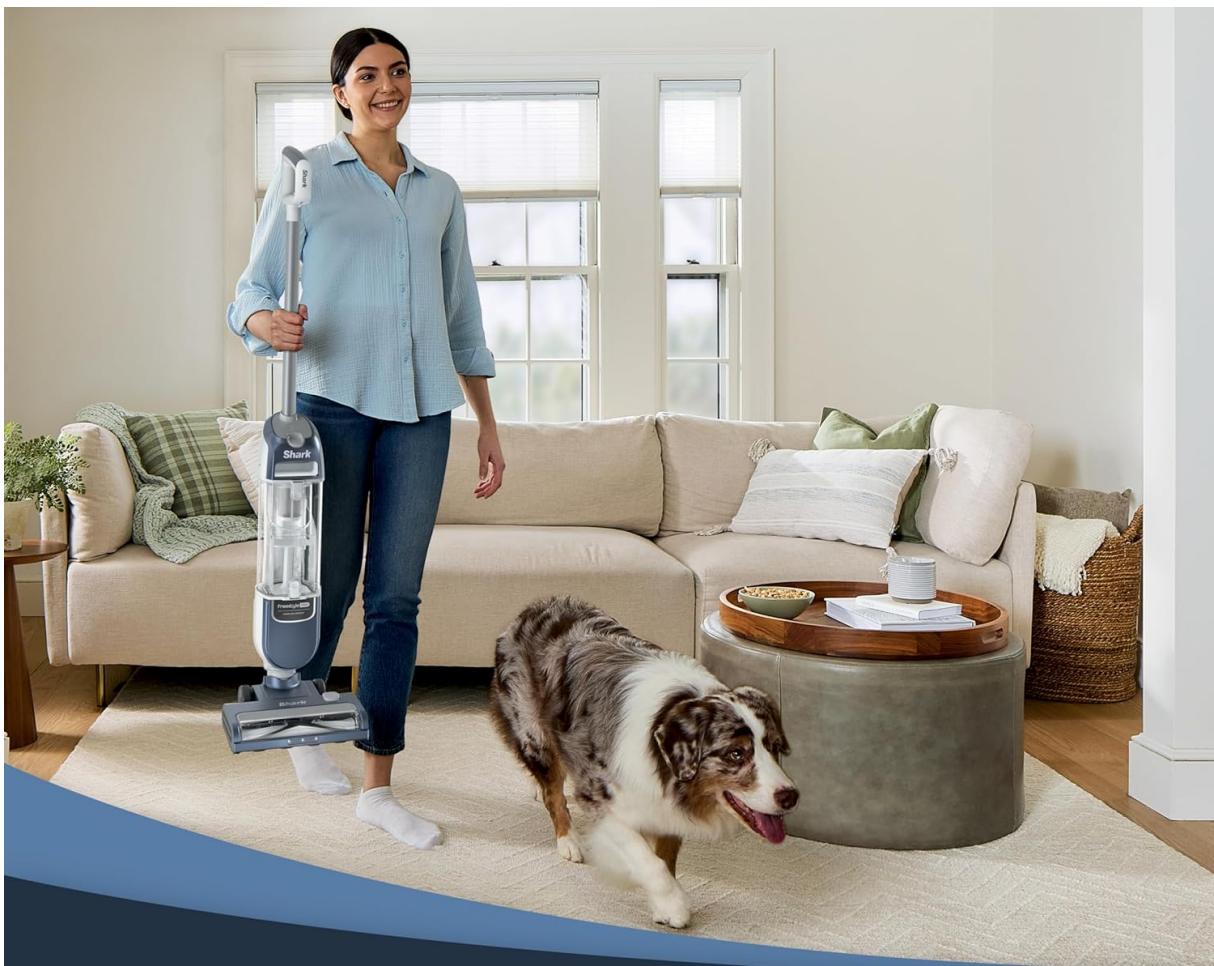

Powerful multi-surface pickup

Tackle debris on carpets and hard floors with Shark's most powerful cordless upright vacuum*.

*Based on ASTM F558, measured at the nozzle, vs. Shark SV1106.

Image 4: Powerful suction effectively cleans both carpets and hard floors.

Lightweight maneuverability

Glide around furniture and corners with Shark's lightest cordless upright vacuum*—under 7 lbs.

*vs. Shark SV1106.

Image 5: The lightweight design ensures easy maneuverability.

LED headlights

Headlights on the nozzle illuminate & reveal hidden debris as you clean.

Image 6: LED headlights reveal hidden dirt for thorough cleaning.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your vacuum.

- 1. Emptying the Dust Cup:** The large-capacity dust cup is designed for easy, hands-free debris disposal. Simply detach the dust cup and empty its contents into a trash receptacle.
- 2. Cleaning the Filter:** The foam filter can be removed and washed with water. Allow it to air dry completely before reinserting.
- 3. Nozzle Maintenance:** The redesigned nozzle helps reduce clogs and blockages. Periodically check the brushroll for any tangled hair or debris and remove as necessary.

Never touch the mess

Larger-capacity* dust cup ejects debris with ease.

*vs. Shark BU3521.

Image 7: The easy-empty dust cup allows for hygienic disposal of debris.

Redesigned nozzle for enhanced cleaning

Reduces clogs and blockages for long-lasting durability.

Image 8: The redesigned nozzle minimizes clogs for consistent performance.

7. TROUBLESHOOTING

If you encounter any issues with your Shark Freestyle Max Cordless Upright Vacuum, please refer to the following general advice:

- **No Power:** Ensure the vacuum is fully charged. Check that the charging dock is properly connected to a working power outlet.
- **Reduced Suction:** Empty the dust cup and clean the filter. Check the nozzle and hose for any blockages and remove them.
- **Brushroll Not Spinning:** Ensure the vacuum is powered on and the correct surface setting is selected. Check the brushroll for any obstructions.

For persistent issues, please contact Shark Customer Support.

8. SPECIFICATIONS

Attribute	Detail
