

## ZHRCLY EC-103-75

# ZHRCLY EC-103-75 Boosting Electric Pump Accessory Instruction Manual

## INTRODUCTION

This instruction manual provides essential information for the proper installation, operation, and maintenance of the ZHRCLY EC-103-75 accessory for e-chen Boosting Electric Pumps. This accessory is designed to be compatible with e-chen pump models EC-103-50, EC-103-75, EC-103-100, EC-103-150, and EC-103-200. Please read this manual thoroughly before proceeding with installation or use to ensure safe and efficient performance.

## SETUP AND INSTALLATION

Proper installation is crucial for the optimal performance and longevity of your EC-103-75 accessory. Ensure that the main e-chen Boosting Electric Pump is powered off and disconnected from any power source before beginning installation.

- 1. Verify Compatibility:** Confirm that your e-chen Boosting Electric Pump is one of the compatible models (EC-103-50, EC-103-75, EC-103-100, EC-103-150, EC-103-200).
- 2. Inspect Components:** Before installation, carefully inspect the EC-103-75 accessory for any signs of damage during shipping. Do not install if any damage is observed.
- 3. Prepare Connection Points:** Identify the designated connection points on your e-chen Boosting Electric Pump for this accessory. Refer to your main pump's manual for specific details.
- 4. Secure Attachment:** Attach the EC-103-75 accessory firmly to the pump using the provided fasteners or connection mechanisms. Ensure all connections are tight and secure to prevent leaks or disconnections during operation.
- 5. System Check:** Once installed, perform a visual check to ensure all components are correctly aligned and no loose parts are present.

## OPERATING INSTRUCTIONS

---

The ZHRCLY EC-103-75 is an accessory designed to enhance the functionality of your e-chen Boosting Electric Pump. Its operation is directly integrated with and dependent on the main pump's operational cycle. There are no separate controls for this accessory.

- Main Pump Operation:** Refer to the instruction manual of your specific e-chen Boosting Electric Pump model for detailed operating procedures.
- Integrated Functionality:** Once correctly installed, the EC-103-75 accessory will function automatically in conjunction with the main pump.
- Monitoring:** During pump operation, periodically monitor the accessory for any unusual noises, vibrations, or leaks.

## MAINTENANCE

---

Regular maintenance ensures the longevity and reliable performance of your EC-103-75 accessory. Always disconnect the main pump from the power supply before performing any maintenance.

- Regular Inspection:** Periodically inspect the accessory for wear, corrosion, or damage. Check all connections for tightness.
- Cleaning:** Keep the exterior of the accessory clean and free from dust and debris. Use a soft, damp cloth for cleaning. Do not use harsh chemicals or abrasive materials.
- Component Replacement:** If any part of the accessory appears damaged or worn, contact the seller for replacement parts. Do not attempt unauthorized repairs.

## TROUBLESHOOTING

---

This section addresses common issues that may arise with the EC-103-75 accessory. For issues related to the main e-chen Boosting Electric Pump, refer to its specific manual.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Accessory not functioning	Incorrect installation; Main pump not operating; Damaged accessory.	Review installation steps; Check main pump's power and operation; Inspect accessory for damage and contact seller if necessary.
Leaks at connection points	Loose connections; Damaged seals/gaskets.	Tighten all connections; Inspect and replace seals/gaskets if worn or damaged.
Unusual noise/vibration from accessory	Loose mounting; Internal component issue.	Ensure accessory is securely mounted; If noise persists, discontinue use and contact seller.

## SPECIFICATIONS

---

Technical specifications for the ZHRCLY EC-103-75 accessory.

Feature	Detail
Brand	ZHRCLY
Model Number	EC-103-75
Compatibility	e-chen Boosting Electric Pumps (EC-103-50, EC-103-75, EC-103-100, EC-103-150, EC-103-200)
Manufacturer	Original factory
Included Components	NEW (as per product listing)

## WARRANTY AND SUPPORT

---

For warranty information, technical support, or to inquire about replacement parts, please contact the seller or manufacturer directly. Retain your proof of purchase for any warranty claims.
