BOSGAME E4

BOSGAME E4 Mini PC User Manual

Model: E4 - AMD Ryzen 5 3550H Desktop Computer

1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your BOSGAME E4 Mini PC. The BOSGAME E4 is a compact desktop computer powered by an AMD Ryzen 5 3550H processor, designed for various applications including office work, home entertainment, and light computing tasks. Please read this manual thoroughly before using your device to ensure optimal performance and longevity.

Image 3.1: Detailed diagram showing the front and rear port configurations of the BOSGAME E4 Mini PC.

3.2. Dimensions

The compact design of the E4 Mini PC allows for flexible placement. Its dimensions are approximately 128mm x 127.1mm x 42.8mm.

Image 3.2: Technical drawing illustrating the precise dimensions of the BOSGAME E4 Mini PC.

4. SETUP INSTRUCTIONS

4.1. Initial Connection

1. Connect your monitor(s) to the Mini PC using the HDMI, DisplayPort, or USB-C video outputs.
2. Connect your keyboard and mouse to the available USB ports.
3. Connect the power adapter to the DC input port on the Mini PC, then plug the adapter into a power outlet.
4. Press the power button on the front of the Mini PC to turn it on.

4.2. VESA Mount Installation

The BOSGAME E4 Mini PC supports VESA mounting for discreet placement behind a monitor or on a wall.

1. Fix the VESA bracket to the Mini PC using the provided screws.
2. Fix the bracket, with the Mini PC attached, to the back of your display or desired mounting surface using the appropriate screws.

EASY INSTALLATION

Wall-Mounted bracket

1. Fix bracket on MINI PC with screws.
2. Fix the bracket on the back of display with screws.

5. OPERATING INSTRUCTIONS

5.1. Power On/Off

- **To Power On:** Press the red power button on the front panel.
- **To Power Off:** Use the operating system's shutdown function. Alternatively, press and hold the power button for 5 seconds to force a shutdown (use only when necessary).

5.2. Display Connectivity

The E4 Mini PC supports triple display output, allowing for extended desktop environments or multi-monitor setups. Connect up to three displays using the HDMI, DisplayPort, and USB-C video outputs. The HDMI and DisplayPort support 4K resolution at 60Hz, while the USB-C port supports 1080P at 60Hz.

Support Triple Screen Display

Meet all your daily needs, working & entertaining

5.3. Network Connectivity

- **Wired Connection:** Utilize the dual RJ45 Gigabit LAN ports for stable and high-speed wired network access. These ports can be combined for higher data transfer rates and network stability.
- **Wireless Connection:** The Mini PC features Wi-Fi 5 for wireless internet access and Bluetooth 5.0 for connecting wireless peripherals.

Dual RJ45 LAN

+ -

By combining the two ports, higher data transfer rates can be achieved while maintaining network stability and reliability.

7. MAINTENANCE

7.1. Heat Dissipation

The BOSGAME E4 Mini PC incorporates an efficient and stable heat dissipation system, including a cooling fan and heat sink fins, to maintain optimal operating temperatures and ensure quiet operation.

Image 7.1: Internal view highlighting the cooling fan and heat sink fins, key components of the efficient heat dissipation system.

7.2. Noise Levels

The design prioritizes quiet operation. Noise levels are typically low, even under load, contributing to a comfortable working environment.

Image 7.2: Chart comparing the noise level of the BOSGAME E4 Mini PC (30dB) to common environmental sounds.

8. SPECIFICATIONS

Below are the detailed technical specifications for the BOSGAME E4 Mini PC:

Feature	Specification
Model	E4
Processor	AMD Ryzen 5 3550H (4 Cores, 8 Threads, Max Turbo Frequency 3.70GHz, 4MB Smart Cache)
Graphics	AMD Radeon Vega 8 Graphics (Graphics Frequency: 1200 MHz)
RAM	16GB DDR4 SODIMM (2400MHz)
Storage	512GB M.2 2280 NVMe PCIe 3.0 SSD
Operating System Support	Windows, Ubuntu, Linux
Network	Wi-Fi 5, Bluetooth 5.0, Dual RJ45 LAN
Video Output	HDMI 2.0 (4K@60Hz), DisplayPort (DP) (4K@60Hz), USB-C (1080P@60Hz)
USB Ports	3x USB 3.2 Gen2 (10Gbps), 2x USB 2.0 (480Mbps), 1x USB-C (1080P@60Hz)
Audio	3.5mm Combo Jack
Power Adapter	19V-3.42A (Input: 100-240V AC, 50/60Hz)
Dimensions	128 x 127.1 x 42.8 mm
Additional Function	WOL (Wake-on-LAN), Auto Power On

9. TROUBLESHOOTING

If you encounter issues with your BOSGAME E4 Mini PC, please refer to the following common troubleshooting steps:

- **No Power:** Ensure the power adapter is securely connected to both the Mini PC and a working power outlet. Test the outlet with another device.
- **No Display:** Verify that the monitor is powered on and correctly connected to the Mini PC's video output port. Try a different video cable or monitor if available. Ensure the correct input source is selected on your monitor.
- **No Internet Connection:** For wired connections, check the Ethernet cable and router status. For Wi-Fi, ensure Wi-Fi is enabled in the operating system and you are connected to the correct network with the correct password.
- **Peripheral Not Detected:** Try connecting the peripheral to a different USB port. Ensure drivers are installed if required by the peripheral.
- **System Slowdown:** Close unnecessary applications. Check for background processes consuming high resources. Ensure sufficient free storage space on the SSD.
- **Overheating:** Ensure the Mini PC is placed in a well-ventilated area and that its vents are not obstructed. Avoid placing it on soft surfaces that can block airflow.

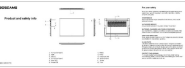

If problems persist, please contact customer support for further assistance.

10. WARRANTY AND SUPPORT

BOSGAME is committed to providing reliable products and customer service.

- **Warranty:** Your BOSGAME E4 Mini PC comes with a 12-month warranty from the date of purchase.
- **Technical Support:** Lifetime technical support is provided for your product.
- **Customer Service:** For any inquiries or support needs, please contact us via email at support@bosgamepc.com.
