GOLREX T59

GOLREX T59 Wireless Earbuds User Manual

Model: T59 | Brand: GOLREX

INTRODUCTION

Welcome to the GOLREX T59 Wireless Earbuds user manual. These earbuds are designed to provide a superior audio experience with advanced features tailored for active lifestyles. With Hybrid Active Noise Cancelling, extended battery life, and a secure over-ear hook design, the T59 earbuds are perfect for sports, daily commutes, and immersive listening.

Please read this manual carefully to ensure proper use and maintenance of your new GOLREX T59 Wireless Earbuds.

WHAT'S IN THE Box

Upon opening your GOLREX T59 package, you should find the following items:

- Over-ear Noise Cancelling Earbuds (Left and Right)
- Wireless Charging Case
- Type-C Charging Cable
- Eartips (various sizes for optimal fit)
- User Manual

On-Device Controls for Workout & Comfortable Fit

SETUP

1. Charging Your Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The case features a dual LED power display to show battery levels for both the case and individual earbuds.

- **Wireless Charging:** Place the charging case on a compatible wireless charging pad. The LED display will indicate charging progress.
- **Type-C Fast Charge:** Connect the included Type-C cable to the charging port on the case and a USB power source. A 15-minute charge provides approximately 1 hour of use.
- **Earbud Charging:** Place the earbuds into the charging case. They will automatically begin charging. The LED display on the case shows the charge status of each earbud.

2. Pairing with Your Device

The GOLREX T59 earbuds feature one-step pairing for quick and easy connection.

1. Ensure Bluetooth is enabled on your device (smartphone, tablet, laptop, etc.).
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "T59" from the list.
4. Once connected, you will hear a confirmation prompt, and the earbuds will be ready for use.
5. The earbuds will automatically reconnect to the last paired device when removed from the case.

One-step Pairing & Bluetooth 5.0

Out of the case
the earbuds will auto power
on and pair with each other.

With Bluetooth 5.0 connectivity
you won't miss a moment
or call within 30 ft. range.

Wide Compatibility & Either Earbud Can Be Used Alone

Image: Earbuds designed for movement, featuring adjustable earhooks and IPX7 waterproof rating.

2. Touch Controls

The GOLREX T59 earbuds feature intuitive touch controls for managing your audio and calls:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double click the Right earbud.
- **Previous Track:** Double click the Left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant (e.g., Siri):** Triple click on either earbud.
- **Volume Up:** Long press the Right earbud.
- **Volume Down:** Long press the Left earbud.

3. Hybrid Active Noise Cancelling (ANC)

Experience focused listening with the Hybrid Active Noise Cancelling feature, which reduces ambient noise by up to 30dB. This allows you to immerse yourself in your audio without distractions from your surroundings.

Hybrid Active Noise Cancellation

Enjoy a peaceful environment wherever you are with up to -30dB of noise cancellation, perfect for immersing yourself in music.

4. Audio Quality

The GOLREX T59 earbuds are equipped with 14.2mm drivers, delivering crisp Hi-Fi stereo sound with rich bass. Enjoy a high-fidelity audio experience for your music, podcasts, and calls.

5. Call Quality

With advanced microphone technology, the earbuds ensure crystal-clear call quality, allowing your voice to be heard clearly during conversations.

6. Water Resistance

The earbuds are IPX7 sweat and water resistant, making them suitable for workouts and outdoor activities. They are protected against splashes and sweat, but are not designed for submersion.

MAINTENANCE

To ensure the longevity and optimal performance of your GOLREX T59 earbuds, follow these maintenance guidelines:

- Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. For eartips, remove them and clean with mild soap and water, then dry thoroughly before reattaching.
- Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- Avoid Liquids:** While IPX7 rated for sweat and water resistance, avoid prolonged exposure to water or submersion. Do not use abrasive cleaners or solvents.
- Charging Port:** Keep the Type-C charging port free of dust and debris.

TROUBLESHOOTING

If you encounter any issues with your GOLREX T59 earbuds, try the following troubleshooting steps:

- **Earbuds not pairing:**

- Ensure both earbuds are fully charged.
- Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid again.
- Turn off and on your device's Bluetooth.
- Forget "T59" from your device's Bluetooth list and try pairing again.

- **No sound from one earbud:**

- Ensure both earbuds are charged and connected.
- Try placing both earbuds back in the case and taking them out again.
- Reset the earbuds (refer to the user manual for specific reset instructions if available, or try holding the touch control for 10-15 seconds while in the case).

- **Charging issues:**

- Check the Type-C cable and charging adapter for damage.
- Ensure the charging case is properly placed on the wireless charging pad.
- Clean the charging contacts on the earbuds and inside the case.

- **Poor sound quality:**

- Ensure the eartips provide a secure seal in your ear. Try different sizes.
- Clean any earwax or debris from the earbud nozzles.
- Ensure your device is within the Bluetooth range (up to 30 ft).
