CAROTE 2Qt Stainless Steel Saucepan Set User Manual

INTRODUCTION

Thank you for choosing the CAROTE 2Qt Stainless Steel Saucepan Set. This manual provides essential information for the safe and effective use, care, and maintenance of your new cookware. Please read these instructions thoroughly before first use and retain them for future reference.

PRODUCT OVERVIEW

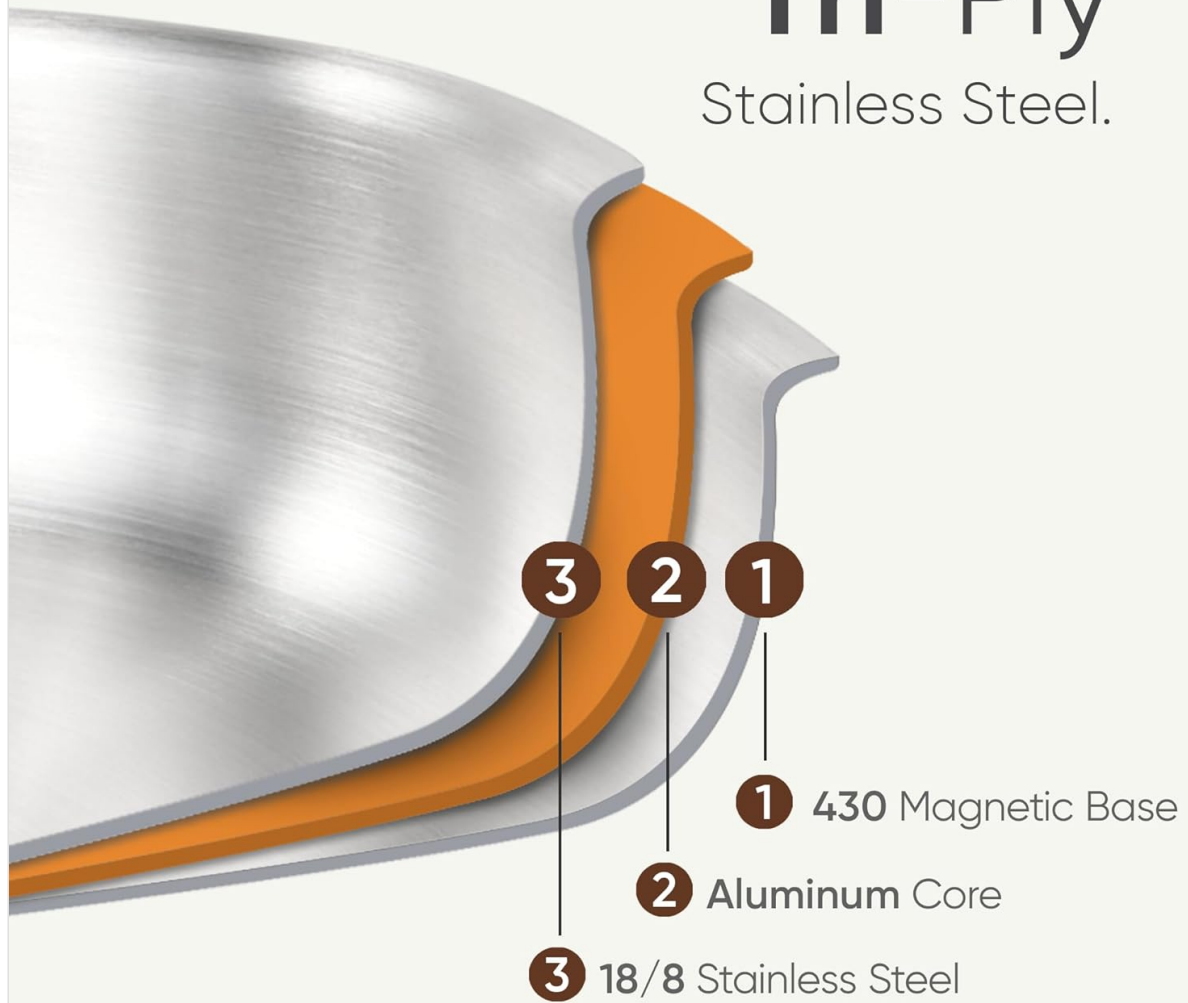

The CAROTE 2Qt Stainless Steel Saucepan Set is designed for efficient and versatile cooking. Each saucepan features a 3-ply clad construction for optimal heat distribution and durability. The set includes saucepans with matching lids.

Key Features:

- **3-Ply Clad Construction:** Ensures fast and even heat distribution for consistent cooking results.
- **Flared Pour Rim:** Designed for drip-free pouring, making it easier to transfer liquids.
- **Oven Safe:** Suitable for use in ovens.
- **Stovetop Compatibility:** Works on gas, electric, and induction cooktops.
- **Dishwasher Safe:** For convenient cleaning.

Tri-Ply

Stainless Steel.

This image illustrates the 3-ply stainless steel construction, featuring a 430 magnetic base, an aluminum core, and an 18/8 stainless steel interior for even heating.

2QT Saucepan

This image displays the dimensions of the 2Qt saucepan, indicating a 7-inch diameter, 7.9-inch handle length, and 3.1-inch height.

Anti-Scald Handle.

This image shows the saucepan's handle, designed for comfortable handling during cooking.

See & Cook

Perfect Doneness at a Glance.

This image features the saucepan with its clear glass lid, enabling users to monitor cooking progress without lifting the lid.

Stays Spotless.

Deep Walls Trap Foam.

This image highlights the deep walls of the saucepan, which help to contain contents and prevent spills during cooking.

SETUP

Before First Use:

1. Remove all packaging materials, labels, and tags from the saucepans and lids.
2. Wash the saucepans and lids thoroughly with warm, soapy water.
3. Rinse completely and dry immediately with a soft cloth to prevent water spots.

OPERATING INSTRUCTIONS

Cooking Guidelines:

- **Heat Settings:** Due to the efficient 3-ply construction, medium to low heat settings are often sufficient for most cooking tasks. High heat should only be used for boiling water.
- **Stovetop Use:** Ensure the saucepan is centered on the burner. For gas stovetops, adjust the flame so it does not extend beyond the base of the pan.
- **Induction Compatibility:** These saucepans are fully compatible with induction cooktops.
- **Oven Use:** The saucepans are oven safe. Always use oven mitts when handling hot cookware.

- **Lids:** The lids are designed to fit snugly, retaining heat and moisture. Be aware that stainless steel lid handles can become hot during cooking; use a pot holder or oven mitt when removing or adjusting lids.

MAINTENANCE

Cleaning and Care:

- **Dishwasher Safe:** For convenience, your CAROTE stainless steel saucepans are dishwasher safe.
- **Hand Washing:** For best results and to maintain the luster of your cookware, hand washing is recommended. Use warm, soapy water and a soft sponge or cloth. Avoid abrasive cleaners, steel wool, or scouring pads, as these can scratch the surface.
- **Stubborn Food Residue:** For stuck-on food, fill the saucepan with warm water and a small amount of dish soap, let it soak for 15-20 minutes, then clean as usual.
- **Removing Stains:** White spots or mineral deposits can occur due to hard water. These can often be removed by boiling a solution of water and white vinegar (1 part vinegar to 3 parts water) in the pan, then washing and drying.
- **Storage:** Store cookware in a dry place. To prevent scratches, place a soft cloth or paper towel between stacked pans.

This image shows the CAROTE saucepans being cleaned in a dishwasher, highlighting their dishwasher-safe feature for easy maintenance.

TROUBLESHOOTING

Common Issues and Solutions:

- **Food Sticking:** Ensure adequate oil or fat is used and that the pan is preheated to the correct temperature before adding food. Avoid using excessively high heat.
- **Discoloration:** High heat can sometimes cause blue or rainbow discoloration on stainless steel. This is harmless and can often be removed with a stainless steel cleaner or a solution of white vinegar.
- **Lid Handles Getting Hot:** This is normal for stainless steel handles. Always use oven mitts or pot holders when handling hot lids.

SPECIFICATIONS

Feature	Detail
Brand	CAROTE
Model Number	saucepan
Material	3-Ply Stainless Steel
Capacity	2 Quarts
Color	Silver
Finish Type	Polished
Product Dimensions	7"D x 15.2"W x 3.1"H
Item Weight	1.5 Pounds
Coating Description	No coating
Oven Safe	Yes
Stovetop Compatibility	Gas, Electric, Induction
