## 14. MAINTENANCE

To ensure the longevity and optimal performance of your MAXLEGEN M14 Tablet, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive materials or harsh chemicals.
- **Storage:** Store the tablet in a cool, dry place away from direct sunlight and extreme temperatures.
- **Protection:** Always use the provided protective case and screen protector to guard against scratches and minor impacts.

- **Software Updates:** Regularly check for and install system updates to ensure your device has the latest security patches and performance improvements.

## 15. TROUBLESHOOTING

If you encounter issues with your MAXLEGEN M14 Tablet, refer to the following common troubleshooting steps:

- **Device Not Powering On:** Ensure the battery is charged. Connect the tablet to the charger and wait a few minutes before attempting to power it on again.
- **Screen Unresponsive:** Try restarting the tablet by holding down the Power button for approximately 10-15 seconds until the device powers off and then on again.
- **App Crashing/Freezing:** Close the problematic app and reopen it. If the issue persists, clear the app's cache and data in Settings > Apps.
- **Poor Wi-Fi Connection:** Ensure you are within range of your Wi-Fi router. Try restarting your router and the tablet.
- **Slow Performance:** Close unnecessary background applications. Consider clearing cache data or uninstalling unused apps to free up storage.
- **SIM/MicroSD Card Not Detected:** Ensure the card(s) are correctly inserted into the tray and the tray is fully seated. Restart the tablet.

If problems persist, consult the official MAXLEGEN support resources or contact customer service.
