DWVO Farmhouse 55-inch TV Stand and Buffet Cabinet Instruction Manual

MODEL: MADWV8PWZQ

1. Introduction

Thank you for choosing the DWVO Farmhouse 55-inch TV Stand and Buffet Cabinet. This versatile furniture piece is designed to enhance your living space with its rustic charm and practical storage solutions. Please read this manual carefully before assembly and use to ensure safe and optimal performance.

2. Safety Information

- Do not overload the shelves. The tabletop supports up to 154 lbs, and each cabinet shelf holds 33 lbs.
- Always assemble and use the included tip-resistant kit to prevent accidental tip-overs, especially in households with children or pets.
- Keep the product dry to avoid potential hazards and material damage.
- Ensure all components are securely fastened during assembly.
- Keep small parts and packaging materials away from children.
- Do not stand or climb on the unit.

3. Package Contents

Verify that all the following components are present before beginning assembly:

- TV Stand main frame
- 2-door Cabinets (x2 sets)
- Assembly Guide
- Charging Station with 2 AC Outlets and 2 USB Ports
- Hardware pack (screws, dowels, shelf pins, anti-tipping kit)

5. Assembly Instructions

The DWVO Farmhouse TV Stand requires assembly. Please refer to the included **Assembly Guide** for detailed, step-by-step instructions. Ensure all parts are present and undamaged before beginning assembly. It is

recommended to assemble the unit on a soft, clean surface to prevent scratches.

Key Assembly Steps:

1. Unpack all components and verify against the parts list in the Assembly Guide.
2. Attach the legs and base structure according to the diagrams.
3. Assemble the cabinet frames and install the adjustable shelves.
4. Mount the shutter-style doors and attach the metal handles.
5. Install the built-in charging station into the designated slot on the tabletop.
6. Secure the anti-tipping kit to the back of the unit and to a wall stud for safety.

6. Product Features

- **Ample Storage Space:** Measuring 55.1"W x 13.8"D x 30.7"H, this cabinet accommodates TVs up to 60 inches. It features two 3-tier cabinets with adjustable and removable shelves, providing versatile storage for media devices, CDs, games, books, and decorative items, helping to keep your entertainment area organized.
- **Multi-Functional Design:** Equipped with a built-in charging station (2 AC outlets, 2 USB ports), this unit offers convenient power access for various appliances and devices. It can serve as a TV stand, buffet sideboard, coffee bar station, or general storage cabinet in living rooms, dining rooms, or kitchens.
- **Farmhouse Shutter Door Design:** The cabinet's aesthetic blends modern style with a classic farmhouse look, featuring elegant shutter doors that complement diverse home decor.
- **Sturdy Construction:** Constructed from high-grade engineered wood, the cabinet boasts a waterproof and scratch-resistant surface for durability and easy maintenance. Reinforced legs and a robust build ensure stability, with a tabletop supporting up to 154 lbs. An included tip-resistant kit further enhances safety.

7. Usage and Operation

Charging Station:

- The integrated charging station is located on the tabletop and includes 2 standard AC outlets (120V/12A) and 2 USB ports (5V/2A).
- Plug the cabinet's power cord into a wall outlet.
- Use the AC outlets to power devices such as televisions, media players, or small kitchen appliances.
- Use the USB ports to charge smartphones, tablets, or other USB-powered devices.
- Ensure devices are compatible with the provided power specifications to prevent damage.

ADJUSTABLE SHELF

Customizable Height For Versatile Storage Solutions.

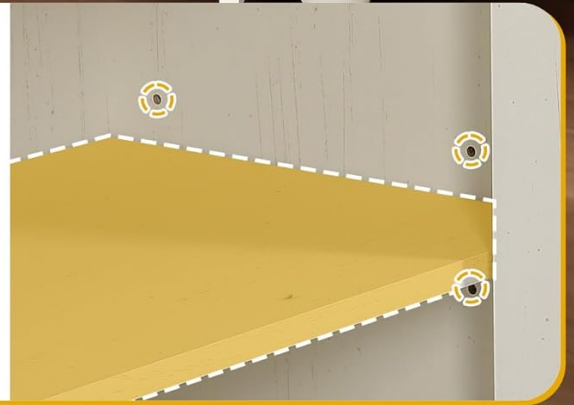

Image: Close-up of the built-in power outlets on the DWVO TV Stand. This image clearly shows the AC and USB ports available on the unit's surface.

Adjustable Shelves:

- The cabinet features adjustable and removable shelves to customize your storage space.
- To adjust a shelf, first remove all items from the shelf.
- Carefully lift the shelf and remove the four shelf pins supporting it.
- Reposition the shelf pins into the desired holes on the cabinet sides. Ensure all four pins are securely inserted at the same height.
- Place the shelf back onto the pins, ensuring it is level and stable before placing items on it.

8. Maintenance

- Regularly wipe the surfaces of the cabinet with a dry, soft cloth to remove dust and debris.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- Immediately wipe up any spills to prevent water damage to the engineered wood.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

9. Troubleshooting

If you encounter any issues with your DWVO Farmhouse TV Stand, please refer to the following general tips:

- **Wobbly Unit:** Ensure all screws are tightened. Check that the unit is on a level surface. Adjust leg levelers if present.
- **Doors Not Closing Properly:** Check door hinges for proper alignment and tightness. Ensure no items inside the cabinet are obstructing the doors.
- **Charging Station Not Working:** Verify the cabinet's power cord is securely plugged into a functional wall outlet. Check if the devices being charged are compatible with the power output.

For more detailed troubleshooting or specific issues, please consult the comprehensive Assembly Guide provided with your product or contact customer support.

10. Warranty and Support

For information regarding product warranty, returns, or to obtain customer support, please refer to the contact details provided in your product packaging or visit the official DWVO website. Please have your model number (MADWV8pwzq) and purchase information ready when contacting support.
