

SUNVIVI ZVS001

SUNVIVI Portable Vacuum Sealer Machine

MODEL: ZVS001 - USER MANUAL

1. Introduction and Overview

The SUNVIVI Portable Vacuum Sealer Machine is designed to extend the freshness of various food items by removing air from specially designed bags and containers. This compact and rechargeable device offers an automatic air sealing system with smart pressure detection, making food preservation simple and efficient. It is suitable for use in home kitchens, during camping trips, or for travel meal preparation.

Key features include:

- **Compact & Rechargeable Design:** Weighing approximately 0.52 lbs, this mini vacuum sealer is portable and lightweight. It features a 1200mAh rechargeable battery and USB charging for cordless operation.
- **Automatic Air Sealing:** Equipped with smart pressure detection, the device automatically starts, stops, and releases pressure for precise sealing of bags and jars. It is effective for both dry and moist foods.
- **Reusable Vacuum Bags:** The system includes multiple sizes of reusable, washable, microwave-safe, freezer-safe, and food-safe vacuum sealer bags, promoting sustainable food storage and reducing waste.
- **Multi-Purpose Accessories:** Comes with wine stoppers and sealing clips to expand usability for various items, from open wine bottles to snack bags and dry goods in mason jars.

2. What's Included

Upon unboxing your SUNVIVI Portable Vacuum Sealer Machine, please ensure all components are present:

- 1 x SUNVIVI Portable Vacuum Sealer (Model ZVS001)
- 10 x Large Reusable Vacuum Bags (approx. 13.8" x 10.2")
- 10 x Medium Reusable Vacuum Bags (approx. 11" x 10.2")
- 10 x Small Reusable Vacuum Bags (approx. 8.7" x 8.3")

- 2 x Red Wine Bottle Stoppers
- 3 x Sealing Clips
- 1 x USB Charging Cable

3. Setup

1. **Charge the Device:** Before first use, fully charge the vacuum sealer using the provided USB charging cable. Connect the cable to the device and a compatible USB power source. The indicator light will show charging status.
2. **Prepare Bags:** Ensure reusable vacuum bags are clean and dry. For new bags, a quick rinse and air dry is recommended.
3. **Inspect Components:** Check the silicone pads on the vacuum sealer and the air valves on the bags/stoppers for any debris or damage to ensure a proper seal.

4. Operating Instructions

4.1. Using with Reusable Vacuum Bags

1. **Place Food:** Put the food item(s) into a reusable vacuum bag. Ensure the food does not exceed the maximum fill line and that the area around the air valve is clean and flat.
2. **Seal Zipper:** Use the provided sealing clip to firmly close the zipper of the bag. Run the clip across the entire length of the zipper multiple times to ensure an airtight seal.
3. **Position Sealer:** Place the nozzle of the vacuum sealer directly over the circular air valve on the bag. Press down firmly to create a tight seal between the device and the bag valve.
4. **Start Vacuuming:** Press the power button on the vacuum sealer. The device will automatically begin to extract air from the bag.
5. **Automatic Stop:** The vacuum sealer will automatically stop once the optimal vacuum pressure is reached. Remove the sealer from the bag.
6. **Storage:** Store the vacuum-sealed bag in the refrigerator, freezer, or pantry as appropriate for the food item.

4.2. Using with Wine Bottle Stoppers

1. **Insert Stopper:** Firmly insert a red wine bottle stopper into the neck of an open wine bottle.
2. **Align Sealer:** Place the nozzle of the vacuum sealer over the top of the wine stopper. Press down firmly to ensure a tight connection.
3. **Start Vacuuming:** Press the power button on the vacuum sealer. The device will extract air from the bottle.
4. **Automatic Stop:** The vacuum sealer will automatically stop when the desired vacuum is achieved. Remove the sealer.
5. **Storage:** Store the sealed wine bottle upright in a cool, dark place.

4.3. Important Notes

- For moist foods, ensure the liquid level in the vacuum sealer's collection tank does not exceed the maximum line. Empty the tank as needed.
- Always ensure the bag zipper is completely sealed before vacuuming.

- Avoid overfilling bags to allow sufficient space for sealing.

5. Maintenance and Cleaning

Regular cleaning ensures optimal performance and longevity of your vacuum sealer.

1. **Clean the Sealer:** The bottom part of the vacuum sealer, which includes the water tank, is detachable. Twist to remove it for easy cleaning. Rinse with water and mild soap, then dry thoroughly before reattaching.
2. **Clean Reusable Bags:** After each use, wash the reusable bags with warm water and mild soap. They are dishwasher-safe. Ensure bags are completely dry before storing to prevent mold or mildew.
3. **Inspect Air Valves:** Periodically check the air valves on the bags and wine stoppers for any food residue or blockages. Clean gently if necessary.

6. Troubleshooting

If you encounter issues with your SUNVIVI Portable Vacuum Sealer, refer to the following common solutions:

Problem	Possible Cause	Solution
Device does not turn on.	Low battery or no charge.	Charge the device fully using the USB cable.
Bag does not vacuum properly.	Zipper not fully sealed; air valve blocked; sealer not pressed firmly enough.	Ensure zipper is completely closed. Check air valve for obstructions. Press sealer firmly over the valve.
Liquid enters the sealer.	Excess liquid in the bag or overfilled.	Ensure liquid level in the bag is below the air valve. Empty and clean the sealer's water tank.
Sealer stops prematurely.	Optimal vacuum pressure reached (normal operation); low battery.	This may be normal. If not, ensure the device is fully charged.

7. Specifications

- **Brand:** SUNVIVI
- **Model Number:** ZVS001
- **Material:** Stainless Steel
- **Color:** White
- **Product Dimensions:** 1.89"L x 1.89"W x 8.19"H
- **Item Weight:** 2.4 Pounds
- **Power Source:** Battery Powered (1200mAh rechargeable battery)
- **Operation Mode:** Automatic
- **Wattage:** 200 watts

8. Warranty and Support

SUNVIVI offers comprehensive support for its products:

- **Warranty:** Products come with 1-5 Years Warranties. Please refer to your purchase documentation for specific warranty details.
- **Free Replacement:** Enjoy 365 Days Free Replacement for eligible issues.
- **Customer Support:** For any questions or assistance, please contact SUNVIVI customer service.
