

TECXERLLON D5

TECXERLLON D5 Smart Car Air Freshener User Manual

Model: D5

1. INTRODUCTION

Thank you for choosing the TECXERLLON D5 Smart Car Air Freshener. This device is designed to enhance your driving experience with long-lasting fragrance, intelligent features, and customizable ambiance. Please read this manual carefully before use to ensure proper operation and maintenance.

2. SAFETY INFORMATION

- Keep out of reach of children and pets.
- Do not ingest the fragrance oil. In case of ingestion, seek medical attention immediately.
- Avoid direct contact of the fragrance oil with skin or eyes. Rinse thoroughly with water if contact occurs.
- Do not expose the device to extreme temperatures or direct sunlight for prolonged periods.
- Use only the provided charging cable and fragrance refills.
- Ensure the device is placed securely in the car to prevent movement during driving.

3. PACKAGE CONTENTS

Please check the package for the following items:

- TECXERLLON D5 Smart Car Air Freshener Unit
- Cologne Fragrance Refill (120ml)
- USB Type-C Charging Cable
- User Manual

4. PRODUCT OVERVIEW

The TECXERLLON D5 features a sleek design with advanced functionalities for a superior in-car fragrance experience.

Key Features:

- **120-Day Ultra-Long Autonomy:** The large 120ml reservoir provides extended use, reducing the need for frequent refills.
- **RGB Music Sync Starlight:** Soft LED projector lights synchronize with music, creating a dynamic and romantic ambiance.
- **AI Auto Start/Stop:** Automatically activates with the engine and enters standby mode after 10 minutes of parking, conserving battery and fragrance.
- **Type-C Fast Charging:** The 300mAh battery charges fully in approximately 1 hour, providing up to 1600 sprays or 120 days of use.
- **4 Fragrance Modes:** Customizable intensity from strong to soft to suit various preferences and scenarios.
- **Luxurious Cologne Scent:** Features a professional fragrance profile with iris/water lily top notes, jasmine/coriander heart notes, and amber/musk base notes.

- **Nano Mist Technology:** Instantly fills the car with a refreshing scent in just 1 second.

5. SETUP

5.1 Installing the Fragrance Refill

1. Gently twist the top section of the diffuser counter-clockwise to open it.
2. Insert the 120ml fragrance bottle into the base, ensuring it is seated correctly.
3. Twist the top section clockwise to secure it back onto the base.

6. OPERATING INSTRUCTIONS

6.1 AI Auto Start/Stop Function

The device is equipped with an intelligent AI sensor. It will automatically turn on when your car engine starts and enter

standby mode after 10 minutes of parking. No manual operation is required for basic on/off functionality.

AI Auto Start & Stop

No more old-school manual switches

Auto ON

Wakes up instantly when your car starts

Auto OFF

Powers down after 10 minutes of parking

6.2 Adjusting Fragrance Modes

The diffuser offers four distinct fragrance modes. Press the control button on the top of the device to cycle through the modes:

- **Strong Mode (Rose Light):** 1-second spray every 5 seconds. Ideal for quickly filling larger spaces.
- **Mild Mode (Yellow Light):** 1-second spray every 5 minutes. Provides a balanced and long-lasting scent.
- **Light Mode (Blue Light):** 1-second spray every 10 minutes. For a subtle fragrance experience.
- **Soft Mode (Green Light):** 1-second spray every 15 minutes. Creates an immersive, gentle aroma.

4 Scent Modes

From subtle to strong for every preference

Strong Mode

1s spray every 5 Second

Mild Mode

1s spray every 5 min

Light Mode

1s spray every 10 min

Soft Mode

1s spray every 15 min

colors.

6.3 RGB Music Sync Lighting

The integrated LED lights can synchronize with music, creating a dynamic visual effect. This feature activates automatically when music is detected and the device is active. The lights project a starlight pattern, enhancing the car's interior ambiance.

7. CHARGING THE DEVICE

The TECXERLLON D5 is equipped with a 300mAh battery and supports Type-C fast charging.

1. Connect the provided USB Type-C cable to the charging port on the device.
2. Connect the other end of the cable to a USB power source (e.g., car charger, power bank, computer USB port).
3. The indicator light will show charging status. A full charge takes approximately 1 hour.
4. Once fully charged, the device can provide up to 1600 sprays or 120 days of use, depending on the selected fragrance mode.
