

## SONGMICS LFM030WC01

# SONGMICS Full-Length Mirror LFM030WC01

## INSTRUCTION MANUAL

### 1. Important Safety Information

---

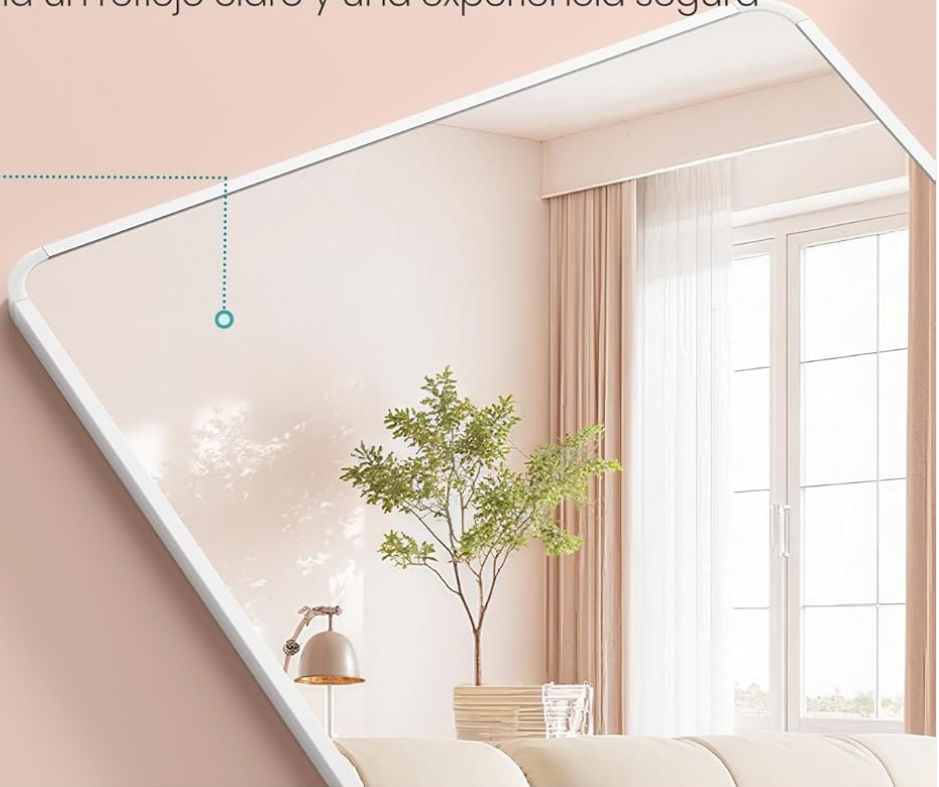

Please read and understand all safety instructions before using this product. Keep this manual for future reference.

- Always ensure the stand is fully open and placed on a stable, flat surface to prevent tipping.
- Handle the mirror with care during unpacking and installation to avoid damage.
- In the rare event of accidental breakage, do not touch broken glass with bare hands. The mirror is constructed with tempered glass and a safety film designed to minimize the risk of injury from shattered pieces.
- Keep children and pets away from the mirror during setup and ensure it is securely positioned.

# Espejo de cristal de calidad

Proporciona un reflejo claro y una experiencia segura

  
Espejo de cristal de alta definición

El vidrio ordinario se rompe con facilidad, los fragmentos pueden causar lesiones

La película de seguridad evita lesiones por cristales rotos

**Figure 1.1: Tempered Glass with Safety Film.** This image shows a comparison between ordinary glass breaking into sharp fragments and tempered glass with a safety film breaking into duller, safer pieces, highlighting the mirror's enhanced safety features.

# Soporte estable en forma de U

Sujeta el espejo de forma segura sin que vuelque

**Figure 1.2: Stable U-shaped Stand.** This image illustrates the mirror's U-shaped stand, emphasizing its stability, quality hinges for durability, and rounded corners for user safety.

## 2. Product Components

---

Verify that all components are present before proceeding with setup.

- 1 x Full-Length Mirror (Model: LFM030WC01)
- 1 x Accessory Kit (for optional wall mounting)
- 1 x Instruction Manual

# Robusto y seguro

Marco robusto y embalaje protector

Marco de aleación de aluminio

Caja de cartón resistente a los impactos

Espuma totalmente envuelta

## 3. Setup Instructions

The SONGMICS Full-Length Mirror is designed for easy setup and can be used freestanding or optionally mounted on a wall.

### 3.1 Freestanding Setup

This mirror requires no assembly for freestanding use. Simply unpack and position it as desired.

1. Carefully remove the mirror from its packaging.
2. Unfold the U-shaped stand completely until it locks into place, ensuring maximum stability.

3. Place the mirror on a flat, level surface in your desired location. Ensure there is sufficient space behind the mirror for the stand.

### 3.2 Wall-Mounted Setup (Optional)

If you prefer to mount the mirror on a wall, use the provided accessory kit. Professional installation is recommended for secure wall mounting.

1. Consult the specific instructions provided in the accessory kit for wall mounting.
2. Ensure the wall material is suitable for supporting the mirror's weight (approximately 6.8 kg).
3. Use appropriate tools and hardware for secure installation.

**Figure 3.1: Freestanding Mirror in Use.** This image shows a woman standing next to the SONGMICS full-length mirror, which is freestanding with its support open, demonstrating its typical use.

## 4. Operating Instructions

---

The SONGMICS Full-Length Mirror is designed for straightforward use.

- Position the mirror in a location that provides optimal lighting for your needs.
- Utilize the full 160 x 50 cm reflective surface to view your entire outfit or enhance the perception of space in a room.
- The mirror can be easily moved to different locations within your home due to its lightweight frame, provided the stand is securely open.

## 5. Maintenance

---

Proper care will ensure the longevity and clarity of your mirror.

### 5.1 Cleaning the Mirror Surface

- Use a soft, lint-free cloth (e.g., microfiber) dampened with water or a non-abrasive glass cleaner.
- Spray cleaner directly onto the cloth, not the mirror surface, to prevent liquid from seeping into the frame edges.
- Wipe the mirror surface gently to remove dust, smudges, or fingerprints.
- Dry immediately with a clean, dry cloth to prevent streaks.

### 5.2 Cleaning the Frame

- Wipe the aluminum alloy frame with a soft, damp cloth.
- Avoid harsh chemicals or abrasive cleaners, as these can damage the matte finish.
- The frame is designed to resist rust and maintain its finish with minimal care.

## 6. Troubleshooting

---

Here are solutions to common issues you might encounter:

### 6.1 Mirror Instability

- **Issue:** The mirror feels wobbly or unstable when freestanding.
- **Solution:** Ensure the U-shaped stand is fully extended and locked into its open position. Verify that the mirror is placed on a completely flat and level surface. Uneven flooring can affect stability.

### 6.2 Streaks or Smudges After Cleaning

- **Issue:** Streaks or smudges remain on the mirror surface after cleaning.
- **Solution:** Use a clean, dry microfiber cloth for drying. Avoid using too much cleaning solution. For stubborn streaks, try cleaning with a mixture of equal parts white vinegar and water.

## 7. Product Specifications

---

Detailed specifications for the SONGMICS Full-Length Mirror LFM030WC01.

**Figure 7.1: Product Dimensions.** This image illustrates the overall dimensions of the mirror (160 cm height x 50 cm width) and the stand's footprint (33 cm depth x 45 cm width).

Feature	Specification
Brand	SONGMICS
Model Number	LFM030WC01
