SETUP AND ASSEMBLY

Before beginning assembly, ensure all components are present. This set includes 588 pieces made from high-quality ABS plastic. A detailed step-by-step instruction manual is included in the product packaging to guide you through the building process.

Preparation:

- Unpack all building blocks and sort them by color or shape to facilitate assembly.
- Clear a well-lit, flat workspace to prevent loss of small pieces.
- Refer to the included instruction booklet for specific assembly steps.

Assembly Tips:

- Follow the numerical sequence in the instruction manual.
- Apply gentle, even pressure when connecting pieces to ensure a secure fit.
- The transparent plastic dome is the final component to enclose your creation, protecting it from dust.

OPERATING INSTRUCTIONS

This specific model (Abelhas - 588pcs) does not include an LED lighting feature. Once assembled, the product functions as a static decorative display item.

Display:

- Place the assembled flower dome on a stable, flat surface.
- The transparent dome protects the internal structure and enhances its visual appeal as a sophisticated decorative piece.

MAINTENANCE

Proper care will ensure the longevity and appearance of your building block display.

Cleaning:

- Gently wipe the plastic dome and assembled blocks with a soft, dry, lint-free cloth.
- For stubborn dust, a slightly damp cloth can be used, followed immediately by a dry cloth.
- Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic.

Storage:

- Store the product in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- Keep out of reach of small children if disassembled, due to small parts.

TROUBLESHOOTING

If you encounter any issues during assembly or display, refer to the following common solutions:

Pieces Not Fitting Correctly:

- **Check Orientation:** Ensure the pieces are oriented correctly according to the instruction manual.
- **Apply Even Pressure:** Press pieces together firmly but gently. Avoid excessive force, which can damage the blocks.
- **Review Steps:** Go back a few steps in the manual to confirm no previous errors were made.

Assembled Model Appears Unstable:

- **Verify Connections:** Ensure all interlocking pieces are fully seated and secure.
- **Base Stability:** Confirm the base of the dome is on a flat, level surface.
- **Small Parts:** Some smaller decorative elements may require delicate handling to remain in place. Re-attach any loose parts carefully.
