

## Replacement Remote Control

# Generic Replacement Remote Control User Manual

COMPATIBLE WITH OMISOON ELECTRIC SPACE HEATERS (MODELS DH-QN12, DH-QN18, DH-QN31, DH-QN34)

## 1. Introduction

---

Welcome to your new Generic Replacement Remote Control. This remote is designed to provide seamless operation for your compatible Omisoon Electric Space Heater models DH-QN12, DH-QN18, DH-QN31, and DH-QN34. It comes pre-programmed and requires no additional setup beyond battery installation.

## 2. Safety Information

---

Please observe the following safety guidelines when using your remote control:

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Remove batteries if the remote control will not be used for an extended period to prevent leakage.
- Dispose of used batteries properly according to local regulations.
- Keep the remote control out of reach of children.

## 3. Package Contents

---

- 1 x Generic Replacement Remote Control

*Note: Batteries are not included and must be purchased separately.*

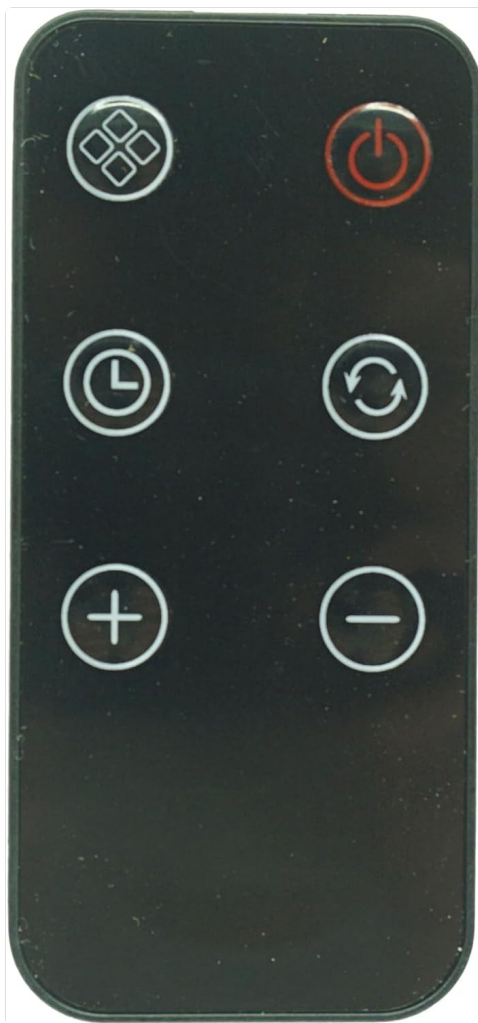

## 4. Setup: Battery Installation

---

This remote control requires 1 AAA battery (not included).

1. Locate the battery compartment on the back of the remote control.
2. Slide open the battery compartment cover.
3. Insert 1 AAA battery, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Close the battery compartment cover securely.

The remote control is now ready for use. No programming is required.

An image of the black Generic Replacement Remote Control. It features six circular buttons: Power (red) at the top right, Mode/Function (four squares) at the top left, Timer (clock icon) at the middle left, Oscillation/Fan (two arrows in a circle) at the middle right, Increase (+) at the bottom left, and Decrease (-) at the bottom right.
