## Maintenance

- Regularly check all bolts and screws to ensure they are tight. Retighten as necessary.
- Clean the metal frame with a soft, damp cloth. Avoid abrasive cleaners.
- For engineered wood surfaces, wipe with a dry or slightly damp cloth.
- Keep the LED lights and charging station free from dust and moisture.

## Troubleshooting

### Assembly Difficulties:

- If you encounter issues with alignment or missing parts, carefully review the assembly instructions. Ensure each part is correctly identified and oriented.
- Extra screws are provided in case some are stripped during assembly.

**LED Light App Disconnection:**

- If the LED app disconnects, try reconnecting it. If issues persist, reinstalling the app may resolve the problem.

**Squeaking Noises:**

- The bed frame is designed to be squeak-resistant. If squeaking occurs, check all connections and ensure they are securely tightened.
