UYRUREL Legion Y700 Gen 4

UYRUREL Clear TPU Protective Case for Lenovo Legion Y700 Gen 4 Tablet

Model: Legion Y700 Gen 4

INTRODUCTION

This instruction manual provides guidance for the UYRUREL Clear TPU Protective Case, specifically designed for the Lenovo Legion Y700 Gen 4 Android Tablet (8.8 Inch). This case offers protection while maintaining the tablet's original aesthetic.

SETUP AND INSTALLATION

Follow these steps to properly install the protective case onto your Lenovo Legion Y700 Gen 4 Tablet.

- Preparation:** Ensure your tablet is clean and free of dust or debris before installation.
- Aligning the Tablet:** Gently place your Lenovo Legion Y700 Gen 4 Tablet into the case, starting with one side. Ensure the camera cutout and port openings align correctly with the tablet's features.
- Securing the Case:** Press the edges of the case around the tablet until it is fully seated and secure. The flexible TPU material allows for easy installation and removal.

FEATURES AND PROTECTION

The UYRUREL protective case is engineered with several features to safeguard your tablet.

- **Premium TPU Material:** Constructed from high-quality, durable, and lightweight TPU (Thermoplastic Polyurethane) for effective protection. The transparent design allows the original look of your tablet to show through.
- **Enhanced Corner Protection:** Features reinforced corners designed to absorb shock and provide additional protection for the tablet screen and camera against drops and impacts.
- **Precise Cutouts:** All ports, buttons, and speakers have precise cutouts, ensuring full access to all tablet functions without needing to remove the case.
- **Slim and Flexible Design:** The case maintains a slim profile, adding minimal bulk to your tablet. Its flexibility ensures comfortable handling and easy installation/removal, and it resists deformation over long-term use.

**Four corner airbags for protection.
Full wrap-around design.
Anti-degradation shock absorption**

Figure 3: The case features reinforced corners for enhanced shock absorption and drop protection.

Simple design,
restore the beauty of the bare metal
more high-end

Figure 4: The transparent design allows the original beauty of the tablet to be visible.

Precise openings for the camera

Figure 5: Precise openings ensure full access to the tablet's camera and other features.

The TPU shell has good flexibility. It feels comfortable to use. It will not deform even after long-term use

Slim and soft

Figure 6: The flexible and soft TPU material provides a comfortable grip and long-lasting durability.

MAINTENANCE AND CARE

To ensure the longevity and clarity of your UYRUREL protective case, follow these maintenance guidelines:

- **Cleaning:** The case is easy to clean. Use a soft, damp cloth with mild soap and water to wipe away dirt and smudges. Avoid harsh chemicals or abrasive cleaners.
- **Stain Resistance:** The TPU material is resistant to oil and stains, making it easy to keep the case looking new.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation.

High-quality material

more skin-friendly to use, not easy to deform and damage

Easy to clean

Resistant to oil and stains

It is not easy to deform

Wear-resistant and fall-resistant

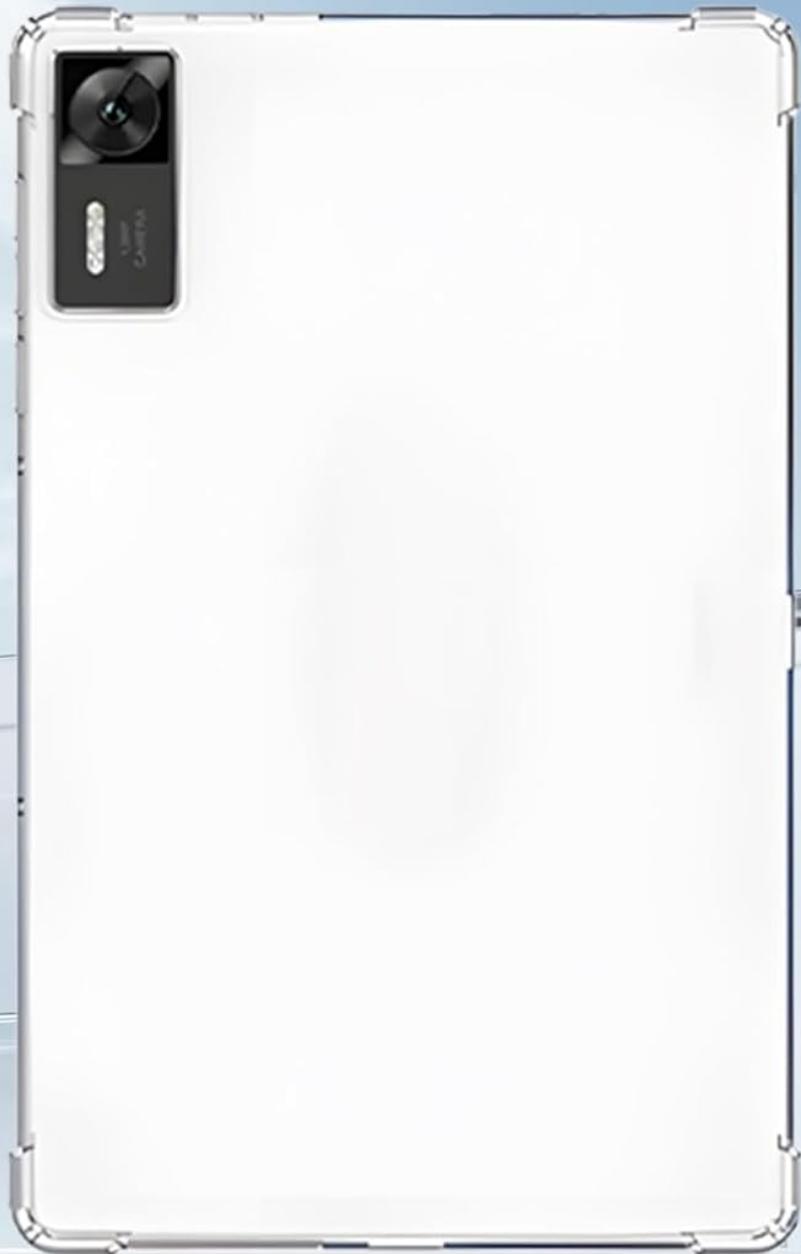

Figure 7: The case material is designed for easy cleaning and resistance to wear and deformation.

TROUBLESHOOTING

If you encounter any issues with your protective case, refer to the following common solutions:

Problem	Possible Cause	Solution
Case does not fit properly.	Incorrect tablet model or improper installation.	Ensure your tablet is the Lenovo Legion Y700 Gen 4. Re-install the case, ensuring all edges are properly seated.
Buttons are difficult to press.	Case not fully aligned or manufacturing variation.	Adjust the case to ensure precise alignment with the tablet's buttons. If the issue persists, contact customer support.
Case appears discolored or dirty.	Accumulated dirt or prolonged exposure to staining agents.	Clean the case with a soft, damp cloth and mild soap. Avoid prolonged exposure to direct sunlight or harsh chemicals.
