App Installation and Bluetooth Connection

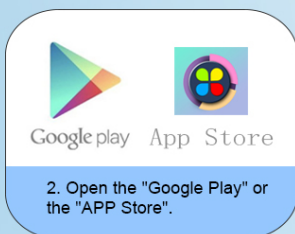

To unlock the full potential of your smartwatch, connect it to your smartphone via the GloryFit app.

1. Ensure Bluetooth is enabled on your smartphone.
2. Download the **GloryFit** app from the Google Play Store (for Android) or Apple App Store (for iOS).
3. Open the GloryFit app and follow the on-screen instructions to search for and bind your Y66 smartwatch.
4. During the pairing process, accept any Bluetooth pairing requests and grant necessary permissions on your phone.
5. For phone notifications and call functionality, ensure the GloryFit app is running in the background and Bluetooth remains connected to both your phone and the app.
6. If connection issues occur, try restarting the watch and your phone's Bluetooth.

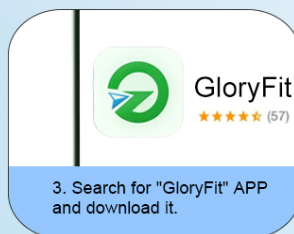

First of all, please be sure to connect our smart watch through the "GloryFit" APP.

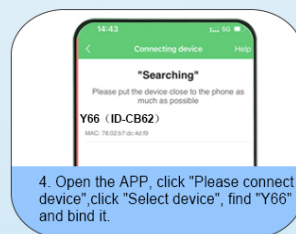

1. Turn on the "Bluetooth" function of your phone.

2. Open the "Google Play" or the "APP Store".

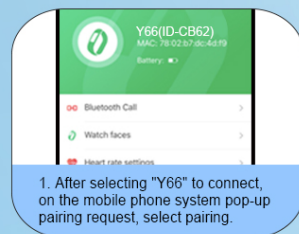

3. Search for "GloryFit" APP and download it.

4. Open the APP, click "Please connect device", click "Select device", find "Y66" and bind it.

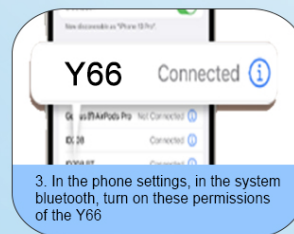

Perform the following steps to enable the answer/call function

1. After selecting "Y66" to connect, on the mobile phone system pop-up pairing request, select pairing.

2. Turn on the call Bluetooth switch on the watch (used when the watch cannot make calls and play media sound).

3. In the phone settings, in the system bluetooth, turn on these permissions of the Y66

4. Once connected, you could use the watch to answer/make calls anytime.
