Yoever IDW28

Yoever IDW28 Smartwatch User Manual

Model: IDW28

Brand: Yoever

INTRODUCTION

Thank you for choosing the Yoever IDW28 Smartwatch. This manual provides essential information for setting up, operating, and maintaining your device. Please read it thoroughly to ensure optimal performance and a complete understanding of its features.

WHAT'S IN THE BOX

- Smart Watch (1 unit)
- Charging Cable (1 unit)
- User Manual (1 unit)
- Additional Watch Band (1 unit)

SETUP GUIDE

1. Charging the Smartwatch

Before initial use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch. Ensure the cable is securely attached. A full charge typically takes approximately 2.5 hours.

IP68 Waterproof

Features an IP68 waterproof and dustproof rating, making it suitable for use in swimming, showering, sweating, and other activities.

2. Pairing with Your Smartphone

The Yoever IDW28 Smartwatch is compatible with Android 6.0+ and iOS 9.0+ devices. To pair:

1. Download the 'Veryfit' app from your smartphone's app store.
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the 'Veryfit' app and follow the on-screen instructions to search for and connect to the 'IDW28' device.
4. Confirm the pairing request on both your smartphone and the smartwatch.

110+ Sports Modes

Meets the needs of all fitness enthusiasts by generating accurate data analysis reports to help you improve your performance.

Steps:  288663 steps

Calories:  562 kcal

Distance:  15 km

Heart Rate:  88 bpm

OPERATING THE SMARTWATCH

Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and features on the 1.85" HD dynamic display.
- **Rotatable Crown:** Use the functional crown on the side to scroll through menus or return to the home screen. A long press typically functions as the power on/off button.

Excellent Quality & Stylish Appearance

The quality of the body is dramatically improved by the use of a metal frame.

Communication Features

- **Bluetooth Calls:** Answer or make calls directly from your wrist when connected to your phone via Bluetooth 5.3.
- **Message Notifications:** Receive texts and app notifications directly on your smartwatch. *Note: Message sending/reply functions are not supported.*
- **AI Voice Assistant:** Utilize the integrated AI voice assistant for various commands and information retrieval.

Bluetooth Calls & Message Notifications

Get Notifications from 30+ APPS

HEALTH MONITORING

The IDW28 Smartwatch features high-precision sensors for continuous health tracking:

- **Heart Rate Monitoring:** 24/7 tracking of your heart rate.
- **SpO2 Monitoring:** Measures blood oxygen levels.
- **Stress Level Monitoring:** Provides insights into your stress levels.
- **Sleep Quality Tracking:** Monitors deep sleep, light sleep, and wake times to analyze and improve sleep patterns.
- **Women's Health Tracking:** Continuously monitors menstrual cycles and provides timely reminders.

24/7 All-Round Health Management

High-precision sensors protect your health in real time

The image displays four health tracking scenarios on the left and a smartwatch on the right. The scenarios are: 1. Heart Rate: Three people jogging, with a watch display showing 98 bpm, measuring, min 80, max 108. 2. Blood Oxygen: An elderly couple stretching, with a watch display showing 96, measuring, min 96, max 99. 3. Stress: A woman sitting on a couch with her head in her hands, with a watch display showing a smiley face, measuring, min 80, max 108. 4. Sleep: A woman sleeping in bed, with a watch display showing 8 h 30 min, a bar chart, and times 22:30 and 07:00. The smartwatch on the right is gold with a mesh band and a glowing green screen.

Connectivity Technology	Bluetooth 5.3
Battery Capacity	350 Milliamp Hours
Battery Life	7-10 days (typical use), 40 days (standby)
Charging Time	Approx. 2.5 hours
Waterproof Rating	IP68
Memory Storage Capacity	1024 MB
Item Weight	6.4 ounces (0.18 Kilograms)

MAINTENANCE

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- **Water Resistance:** The IP68 rating means the watch is resistant to dust and can withstand submersion in water up to 1 meter for 30 minutes. Avoid prolonged exposure to hot water, steam, or high-pressure water jets.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 10 minutes.
- **Unable to pair with phone:** Check that Bluetooth is enabled on your phone and the watch. Ensure the 'Veryfit' app is installed and updated. Try restarting both devices.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
- **Notifications not received:** Verify that app notifications are enabled in your phone's settings and within the 'Veryfit' app. Ensure the watch is connected via Bluetooth.

WARRANTY AND SUPPORT

The Yoever IDW28 Smartwatch comes with a 10-year warranty and lifetime technical support. For any inquiries or assistance, please contact Yoever customer service.
