OPERATING INSTRUCTIONS

Single-Handle Operation

The single handle controls both water temperature and flow. Rotate the handle to adjust temperature and lift/lower to adjust water volume. Ensure the handle moves smoothly without excessive force.

Magnetix Handheld Shower

The handheld shower features Moen's innovative Magnetix technology. To use, simply pull the handshower from its magnetic dock. The powerful magnet ensures easy and secure re-docking. The 60-inch kink-free hose provides extended reach and flexibility for various showering needs.

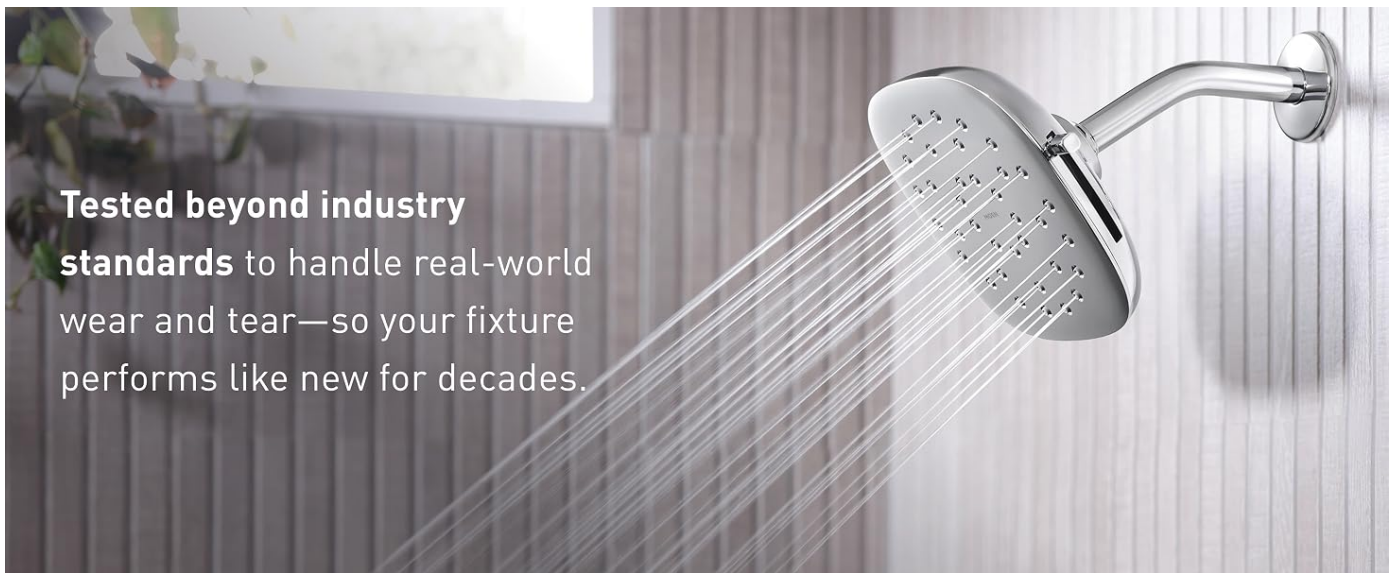

MAGNETIX™ DOCKING TECHNOLOGY

Magnetix handheld showers include magnetic docking, which allows for easy release and securely snaps back into place.

Spray Settings

The showerhead offers multiple distinct spray settings. Adjust the spray pattern by rotating the dial on the showerhead face to select your preferred water flow experience.

Tested beyond industry standards to handle real-world wear and tear—so your fixture performs like new for decades.

MAINTENANCE & CARE

To maintain the Matte Black finish and ensure the longevity of your Moen Ronan faucet, follow these care guidelines:

- Clean regularly with a soft, damp cloth and mild soap.
- Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish.
- Wipe dry after each use to prevent water spots and mineral buildup.

This faucet is WaterSense certified, meaning it meets EPA criteria to conserve water without sacrificing performance. Regular maintenance helps ensure continued water efficiency.

properly maintained.

TROUBLESHOOTING

If you encounter issues with your Moen Ronan faucet, consider the following common solutions:

- **Low Water Pressure:** Check if the main water supply is fully open. Inspect the showerhead for mineral buildup and clean if necessary.
- **Leaks:** Ensure all connections are tight. If leaks persist, internal components may require inspection by a professional.
- **Temperature Control Issues:** Verify the rough-in valve is correctly installed and adjusted.

For persistent problems or complex issues, it is recommended to contact Moen customer support or consult a qualified plumbing professional.
