Safety Information

To ensure safe operation and prevent damage, please observe the following:

- Do not exceed the maximum weight capacity of 44 lbs (20 kg) for the top shelf.
- Do not exceed the maximum weight capacity of 33 lbs (15 kg) for each lower tier.
- Always ensure the shelf is properly installed and secured using the provided anti-tip brackets to prevent tipping.
- Follow all assembly instructions carefully. Improper assembly can lead to instability and potential hazards.

Package Contents

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Steel-reinforced frame components
- Wooden shelf panels
- LED strips with power adapter
- Remote control for LED lights
- Anti-tip brackets
- S-shaped hooks
- Assembly hardware (screws, bolts, etc.)
- Assembly tools (e.g., Allen wrench)
- Instruction Manual

Assembly Instructions

The REIBII Desk Shelf is designed for straightforward assembly. All components are numbered for easy identification. Refer to the included illustrated step-by-step manual for detailed instructions. For visual assistance, QR-code activated video guides are available. Assembly typically takes less than 35 minutes.

Step-by-Step Assembly Overview

1. Unpack all components and verify against the parts list in the manual.
2. Assemble the steel-reinforced frame by connecting the numbered parts using the provided hardware.
3. Attach the wooden shelf panels to the assembled frame. Ensure they are securely fastened.
4. Install the anti-tip brackets to the rear of the shelf and secure them to a wall for enhanced stability.
5. Affix the LED strips to the designated areas. Connect the power adapter.
6. Attach the S-shaped hooks to the side frames as desired.
7. Adjust the leveling feet at the bottom of the frame to ensure the shelf is stable on uneven surfaces.

Operating Instructions

LED Lighting System

The integrated LED lights provide customizable illumination for your workspace. Use the included remote control or a compatible mobile application to:

- Select from 7 distinct colors.
- Choose from 3 different lighting modes (e.g., static, dynamic, fading).

- Adjust brightness levels to reduce eye strain and suit your environment.

The LED strips are detachable, allowing for flexible placement to extend ambiance to other areas if desired.
