FAHREN M5

FAHREN M5 2-in-1 Wireless CarPlay and Android Auto Adapter User Manual

Convert your wired CarPlay or Android Auto system to wireless connectivity.

INTRODUCTION

The FAHREN M5 2-in-1 Wireless CarPlay and Android Auto Adapter allows you to seamlessly convert your vehicle's wired CarPlay or Android Auto system into a wireless one. This device provides a stable and responsive connection, enhancing your in-car entertainment and navigation experience without the need for cables. It supports both Apple CarPlay (iOS 10 and above) and Android Auto (Android 11 and above).

PACKAGE CONTENTS

Upon unboxing your FAHREN M5 adapter, you will find the following items:

- FAHREN M5 Wireless Adapter
- USB-C to USB-A Converter
- USB-A Extension Cable
- User Manual

SETUP INSTRUCTIONS

1. Connect the Adapter to Your Vehicle

Locate the USB data port in your car. Plug the FAHREN M5 Wireless Adapter directly into the USB port. If your car has a USB-C port, use the provided USB-C to USB-A converter. For more flexible placement, utilize the included USB-A extension cable.

Image: The FAHREN M5 adapter connected to a car's USB-A port via an extension cable, demonstrating flexible installation options.

2. Initial Pairing with Your Smartphone

Once the adapter is connected, the car's infotainment screen will display instructions. Follow these steps to pair your phone:

1. Turn on **Bluetooth** and **Wi-Fi** on your mobile phone.
2. On your phone, search for the adapter's Bluetooth name (e.g., "AI-BOX-XXXX") and pair with it.
3. Confirm the pairing request on both your phone and the car's screen.
4. For CarPlay, select "Use CarPlay" when prompted. For Android Auto, the connection will typically establish automatically after Bluetooth pairing.

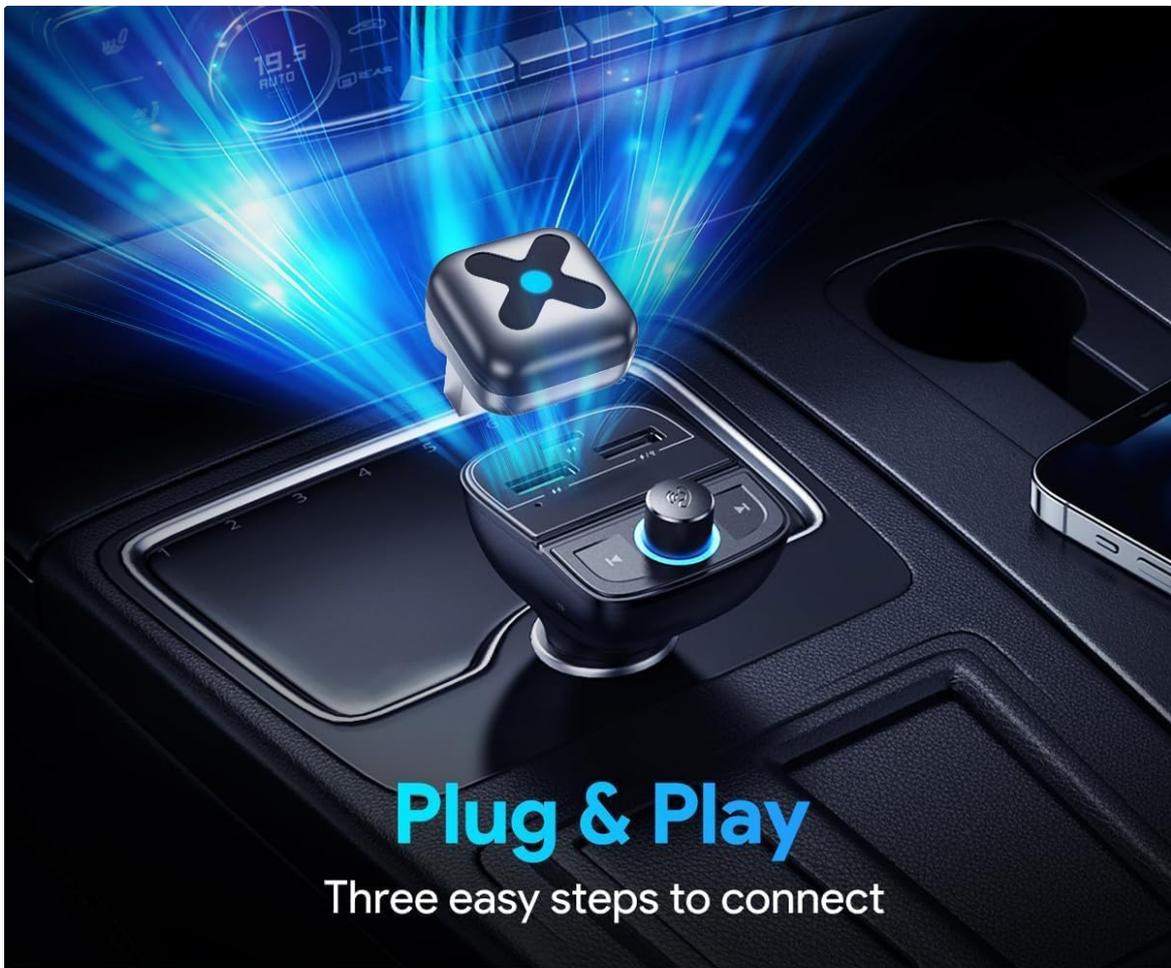

Image: A visual guide illustrating the three steps for connecting the adapter: connecting to car multimedia, turning on phone's Bluetooth and Wi-Fi, and connecting the iPhone via Bluetooth.

OPERATING INSTRUCTIONS

Automatic Reconnection

After the initial successful pairing, the FAHREN M5 adapter will automatically connect to your smartphone within 3-5 seconds each time you start your car. Ensure your phone's Bluetooth and Wi-Fi are enabled for seamless reconnection.

Why Choose Us?

Ours

- ✓ Size: 0.78*0.78*1"
- ✓ Chip: A9
- ✓ Wi-Fi: 5.8GHZ
- ✓ Bluetooth: 5.4
- ✓ Auto Reconnect: 3-5S
- ✓ Support: Carplay/Android Auto

VS

Others

- ✗ Size: 0.86*0.86*1" or 1.2*1.2*1"
- ✗ Chip: A7 or A8
- ✗ Wi-Fi: 2.4GHz+5GHz or 2.4GHz+5.8GHz or 5GHz
- ✗ Bluetooth: 5.0 or 5.2 or 5.3
- ✗ Auto Reconnect: 5-10S or 10S or 15S
- ✗ Support: Carplay

MAINTENANCE

To ensure optimal performance and longevity of your FAHREN M5 adapter, follow these simple maintenance guidelines:

- **Cleaning:** Gently wipe the adapter with a soft, dry cloth to remove dust or debris. Avoid using liquid cleaners or abrasive materials.
- **Storage:** When not in use for extended periods, store the adapter in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Handle the adapter with care. Avoid dropping it or exposing it to excessive force, which could damage internal components.

TROUBLESHOOTING

If you encounter issues with your FAHREN M5 adapter, try the following solutions:

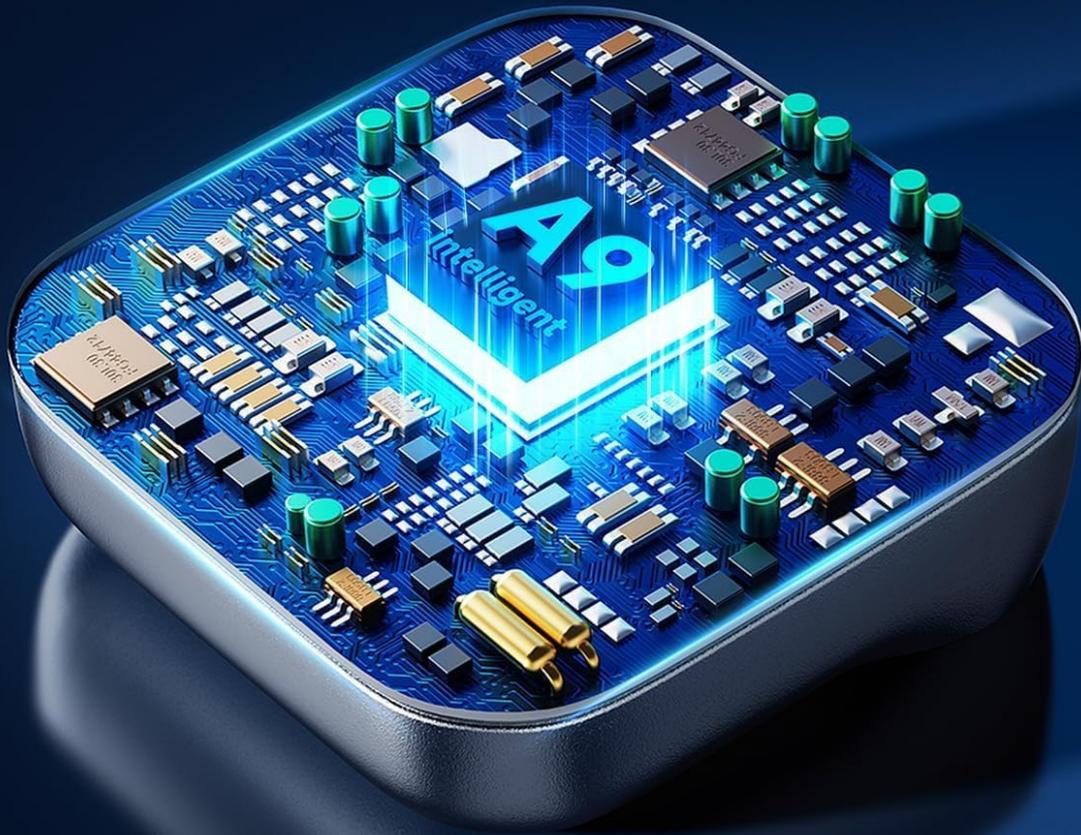

- **Connection Unsuccessful:** If the adapter fails to connect, unplug it from the car's USB port, wait a few seconds, and then plug it back in. Restart your phone and try pairing again.
- **No Wi-Fi Password Required:** The adapter's Wi-Fi connection does not require a password. If prompted for one, ensure you are connecting to the correct device and not another Wi-Fi network.
- **Device Not Recognized:** Ensure your car's infotainment system supports wired CarPlay or Android Auto. Check your car's manual or manufacturer's website for compatibility.
- **Intermittent Connection:** If the connection is unstable, try disabling other Wi-Fi devices in your car that might interfere. Also, ensure your phone's Wi-Fi and Bluetooth are stable.
- **Resetting Car Head Unit:** If problems persist, try resetting your car's head unit to factory settings (consult your car's manual for instructions).

For further assistance, please refer to the detailed troubleshooting section in the physical user manual included with your product.

PRODUCT SPECIFICATIONS

Feature	Specification
Model Number	M5
Product Dimensions (L x W x H)	1.1 x 2.48 x 3.54 inches
