ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is designed to be straightforward. Please follow these steps carefully. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and identify each piece according to the parts list in your included paper manual.
2. **Attach Side Panels:** Secure the arched side panels to the main structure using the provided hardware. Ensure they are oriented correctly as per the diagrams.
3. **Install Bottom Shelf:** Insert and secure the bottom shelf panel between the side panels. This creates the lower storage area.
4. **Attach Top Panel:** Finally, align and secure the top panel to the assembled structure. Tighten all connections firmly but do not overtighten.
5. **Final Check:** Once assembled, gently lift and move the table to its desired location. Ensure it is stable and all connections are secure.

CARE AND MAINTENANCE

Proper care will help maintain the beauty and longevity of your Tribesigns End Table.

- **Cleaning:** Wipe with a damp cloth for general cleaning. For tougher spots, use a mild wood cleaner. Always follow with a dry cloth to remove excess moisture.
- **Spills:** Immediately wipe up spills with a dry cloth to prevent water damage or staining.
- **Protection:** Use coasters under drinks and placemats under hot items to protect the surface from heat and moisture rings.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or warping over time.
- **Humidity:** Maintain a consistent humidity level in your home to prevent wood from expanding or contracting excessively.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Wobbly Table:**

- Ensure all screws and fasteners are tightened securely.
- Check that the table is on a level surface. If not, consider using furniture pads or shims.
- Verify that all parts are assembled in the correct orientation as per the instructions.

- **Missing or Damaged Parts:**

- Double-check the packaging and all packing materials. Small parts can sometimes be overlooked.
- If parts are genuinely missing or damaged, contact Tribesigns customer support immediately for replacements.

- **Difficulty Assembling:**

- Review the assembly instructions carefully, paying close attention to diagrams.
- Ensure you are using the correct hardware for each step.
- Do not force parts together; if they don't fit, re-check the orientation.
