## PRODUCT OVERVIEW

The Mivi SuperBox Classic is engineered for powerful and clear audio. Familiarize yourself with its key components and features.

*Figure 1: Mivi SuperBox Classic Speaker.*

### **Key Features:**

- **120W Powerful Sound Output:** Experience room-filling, high-fidelity audio with deep bass and clear treble.
- **Built-in Subwoofer:** Enjoy punchy, well-balanced bass with an integrated subwoofer for enhanced audio depth.
- **Bass & Treble Controls:** Fine-tune your audio using physical top-mounted adjustment knobs.
- **Easy Playback Controls:** Dedicated Play, Pause, Rewind, and Forward buttons for effortless music control.
- **Bluetooth Connectivity:** Seamlessly stream from your smartphone, laptop, or tablet using Bluetooth v5.3.
- **4000 mAh Battery:** Long-lasting battery for extended listening sessions.

# Superbox Classic

Bringing you timeless craft with tomorrow's clarity.

Figure 2: Overview of Mivi SuperBox Classic features.

## Experience the Power of *120 Watts*

From the softest whisper to booming beats. Every note is delivered with flawless precision. Meet the sound that owns the room and moves with you.

Figure 3: Top control panel with volume, bass, treble knobs, and playback buttons.

The control panel features intuitive rotary knobs for Volume, Bass, and Treble adjustments, along with buttons for playback control (Play/Pause, Skip Forward/Backward) and source selection (Bluetooth, AUX).

## SETUP

### 1. Initial Charging

Before first use, fully charge the speaker. Connect the provided charging cable to the Type-C port on

the speaker and the other end to a suitable power adapter (not included). The charging indicator light will show the charging status.

## 2. Powering On/Off

To power on the speaker, rotate the **Volume/Power** knob clockwise until you hear an audible click and the indicator lights illuminate. To power off, rotate the knob counter-clockwise until it clicks off.

## 3. Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth mode. The Bluetooth indicator light (BT) will blink, indicating it's ready for pairing.
2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
3. Select "**Mivi SuperBox Classic**" from the list of devices.
4. Once connected, the Bluetooth indicator light will become solid, and you will hear a confirmation tone.

## OPERATING INSTRUCTIONS

### 1. Playback Controls

- **Play/Pause:** Press the **Play/Pause** button once to play or pause audio.
- **Next Track:** Press the **Forward** button once to skip to the next track.
- **Previous Track:** Press the **Rewind** button once to go to the previous track.

### 2. Volume, Bass, and Treble Adjustment

- **Volume:** Rotate the **Volume** knob clockwise to increase volume and counter-clockwise to

decrease.

- **Bass:** Rotate the **Bass** knob to adjust the low-frequency output.
- **Treble:** Rotate the **Treble** knob to adjust the high-frequency output.

### 3. Source Selection

Press the **Source** button to cycle through available input modes: Bluetooth (BT), Auxiliary (AUX), and USB.

- **Bluetooth Mode:** For wireless audio streaming.
- **AUX Mode:** Connect an external audio device using a 3.5mm audio cable (not included) to the AUX port.
- **USB Mode:** Insert a USB drive with audio files into the USB port for direct playback.

## MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the speaker's exterior. Do not use abrasive cleaners or solvents.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** This speaker is **not waterproof**. Avoid exposure to water or excessive moisture.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery or power cable not connected.	Charge the speaker fully. Ensure the power cable is securely connected.
No sound.	Volume too low, incorrect source selected, or device not connected.	Increase volume. Press the Source button to select the correct input. Re-pair Bluetooth device or check AUX/USB connection.
Bluetooth pairing fails.	Speaker not in pairing mode, device too far, or interference.	Ensure speaker is in Bluetooth pairing mode (blinking BT light). Move device closer to speaker. Turn off other Bluetooth devices.
Sound distortion.	Volume too high, audio source quality, or incorrect bass/treble settings.	Lower the volume. Check the audio source. Adjust Bass and Treble knobs.
