6. Maintenance

6.1 Cleaning

The device features a detachable inner sleeve for easy cleaning. After each use:

1. Carefully detach the inner sleeve from the main unit.
2. Rinse the inner sleeve thoroughly with warm water and a mild, toy-safe soap.
3. Ensure all lubricant and residue are removed.
4. The main unit (motorized base) is waterproof and can be rinsed, but avoid submerging the charging port area for extended periods.
