MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Executive L-Shaped Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the laminated finish.

- **Protection:** While the desktop is scratch-resistant, using coasters for drinks and pads under heavy or sharp objects is recommended to further protect the surface.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the wood finish.

TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common solutions:

- **Wobbling:** Ensure the desk is on a level surface. Check all screws and bolts to confirm they are tightened securely. The desk features adjustable feet to compensate for uneven floors.
- **Assembly Difficulties:** Re-check the assembly instructions and diagrams. Ensure all parts are correctly oriented and that the correct hardware is used for each step. If parts appear missing, verify against the parts list.
- **Surface Scratches:** Minor scratches on the laminated finish can sometimes be minimized with furniture repair markers or polishes designed for engineered wood.
