## CUBIMANA SC9962

# CUBIMANA Sunflower Bouquet Building Set with Lights

Model: SC9962

Brand: CUBIMANA

## INTRODUCTION

---

Thank you for choosing the CUBIMANA Sunflower Bouquet Building Set with Lights. This 1011-piece botanical collection allows you to construct a beautiful, lifelike sunflower bouquet with integrated LED lighting. This manual provides detailed instructions for assembly, operation, maintenance, and important safety information.

## Safety Information

- **Choking Hazard - Small Parts:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from young children.
- Recommended age for assembly: 8 years and up.
- Always follow the assembly instructions carefully to ensure proper construction and stability.
- Do not expose the LED lights or electrical components to water or excessive moisture.
- Handle the assembled bouquet with care to prevent damage to the delicate parts.

## WHAT'S IN THE BOX

---

Your CUBIMANA Sunflower Bouquet Building Set includes:

- 1011 building block pieces for 17 flowers (9 distinct sunflowers, 8 accent flowers).
- LED light set for illumination.
- Detailed instruction manual.

Image: The building set components are organized in individually numbered bags for ease of assembly. The instruction manual is also included.

## SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included manual to assemble your sunflower bouquet. The pieces are organized in individually numbered bags to streamline the building process.

### Assembly Steps Overview:

1. **Unpack Components:** Open the box and identify the numbered bags containing the building blocks.
2. **Follow Manual:** Refer to the detailed instruction manual for specific assembly sequences for each flower.
3. **Build Individual Flowers:** Construct each of the 17 flowers (9 sunflowers and 8 accent flowers) as per the instructions. Pay attention to the adjustable stems and movable petals for customization.
4. **Integrate LED Lights:** During assembly, or once flowers are built, carefully integrate the LED light set according to the manual's guidance to ensure proper illumination.
5. **Arrange Bouquet:** Once all flowers are assembled and lights are integrated, arrange them into a bouquet. The adjustable stems allow for various display configurations.

### OPERATING INSTRUCTIONS

This building set includes LED lights to enhance the visual appeal of your finished bouquet.

#### Using the LED Lights:

- Ensure the LED light set is correctly installed within the bouquet as per the assembly instructions.
- Connect the power source for the LED lights (e.g., battery pack or USB cable, if included and specified in the main manual).
- Activate the lights using the designated switch or control mechanism.

### Customizing Your Bouquet:

- The stems of the flowers are adjustable, allowing you to vary the height and arrangement of your bouquet.
- Petals and leaves can be repositioned to create different looks and enhance realism.

### MAINTENANCE

To keep your CUBIMANA Sunflower Bouquet looking its best, follow these simple maintenance guidelines:

- **Cleaning:** Dust the bouquet regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but ensure no water comes into contact with electrical components.
- **Storage:** If disassembling for storage, keep all pieces organized, preferably in their original bags or a suitable container, to prevent loss of small parts.
- **Light Care:** If the LED lights dim or stop working, check the power source (e.g., replace batteries if applicable).
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.

## TROUBLESHOOTING

---

If you encounter any issues with your CUBIMANA Sunflower Bouquet Building Set, please refer to the following common solutions:

- **Missing Pieces:** Double-check all packaging and bags. If a piece is genuinely missing, contact CUBIMANA customer support.
- **Difficulty Assembling:** Review the instruction manual carefully. Ensure you are using the correct pieces for each step. Building blocks sometimes require firm pressure to connect properly.
- **LED Lights Not Working:** Verify that the power source is connected correctly and that batteries (if used) are fresh and inserted with the correct polarity. Check for any loose connections in the wiring.
- **Bouquet Instability:** Ensure all connections are secure and tight. Re-examine the base and stem connections as per the manual.
