Novilla 12 Inch Wooden Full Size Bed Frame Instruction Manual

Model: B-F14001B-F12-WO

Brand: Novilla

INTRODUCTION

Thank you for choosing the Novilla 12 Inch Wooden Full Size Bed Frame. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.

This bed frame is constructed from FSC-Certified pine wood, designed for durability and stability, and features a lacquered finish. It is designed to support a full-size mattress without the need for a box spring.

Image: Dimensions and Capacity. The bed frame measures 75.7 inches in length, 54.1 inches in width, and 12.1 inches in height, with a weight capacity of 500 lbs.

SETUP AND ASSEMBLY

Assembly of your Novilla bed frame is required. All necessary tools and an installation manual are included in the package. The estimated assembly time is less than 25 minutes.

Before You Begin:

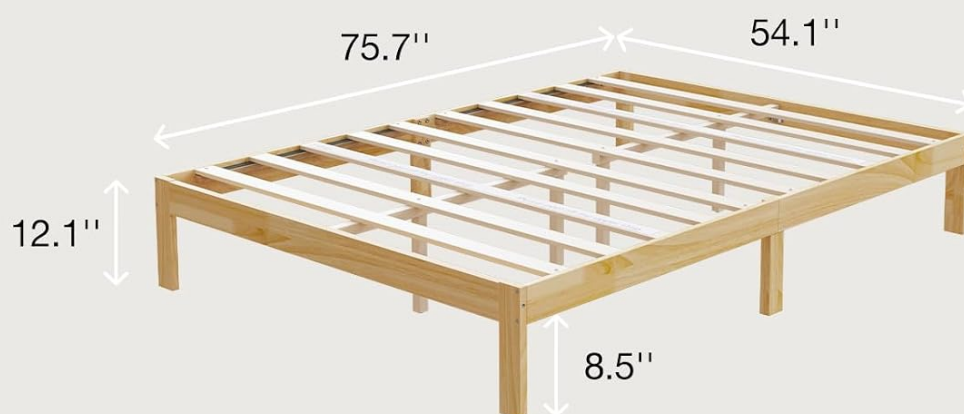

- Unpack all components and verify against the parts list provided in the included manual.
- Ensure you have sufficient space for assembly.
- Keep small parts away from children.

Assembly Steps:

1. **Identify Components:** Refer to the included parts diagram to identify all frame pieces, legs, and hardware.

2. **Assemble Frame Sides:** Connect the side rails to the head and foot sections using the provided bolts and Allen wrench. Do not fully tighten bolts until all frame pieces are connected.
3. **Attach Support Legs:** Securely attach the central support legs to the frame.
4. **Install Slats:** Lay the wooden slats across the frame. Ensure they are evenly spaced and secured according to the instructions. The bed frame features a 10 solid leg support design for enhanced stability.
5. **Final Tightening:** Once all components are in place, securely tighten all bolts.

OPERATING INSTRUCTIONS

This bed frame is designed for use with a full-size mattress. No box spring is required due to the sturdy wood slat support system.

Weight Capacity:

The maximum recommended weight capacity for this bed frame is 350 pounds. Exceeding this limit may compromise the structural integrity and safety of the frame.

Underbed Storage:

The frame provides 8.5 inches of clearance underneath, offering convenient extra storage space for your belongings. This helps in keeping your bedroom organized.

MAINTENANCE

To ensure the longevity and appearance of your Novilla bed frame, follow these maintenance guidelines:

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the lacquered finish.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Avoid Excessive Moisture:** Protect the wood from prolonged exposure to moisture, which can cause warping or damage to the finish.
- **Weight Distribution:** Distribute weight evenly across the bed frame to prevent undue stress on specific areas.

TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all bolts and screws on the frame, especially where the side rails connect to the head and foot sections, and where the support legs are attached.
- **Instability/Wobbling:** Ensure all legs are firmly on the ground and all bolts are securely tightened. Check that the slats are properly seated and evenly distributed.
- **Missing Parts:** If you find any parts missing upon unboxing, please contact Novilla customer service immediately with your purchase details.
- **Damaged Components:** Do not attempt to use the bed frame if any structural components are damaged. Contact customer service for replacement parts.

SPECIFICATIONS

Brand	Novilla
Model Number	B-F14001B-F12-WO
Size	Full
Colour	Pine
Material	Pine Wood
Finish Type	Lacquered
Style	Without Headboard
Product Dimensions (L x W x H)	137.4 cm x 192.5 cm x 30.7 cm (54.1" x 75.7" x 12.1")
