

Tangkula 12724-JV-TA

Tangkula Mobile Standing Desk User Manual

Model: 12724-JV-TA

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Tangkula Mobile Standing Desk. Designed for versatility and comfort, this desk features pneumatic height adjustment, hidden wheels for mobility, and integrated accessories for an organized workspace. Please read this manual thoroughly before use to ensure proper setup and safe operation.

2. SAFETY INFORMATION

Caution:

- Do not overload the desk. The maximum weight capacity is 90 pounds (40.8 kg).
- Keep the desk on a stable, level surface to prevent tipping.
- Avoid placing the desk near heat sources, open flames, or in direct sunlight for extended periods.
- Be aware of the round table corners to prevent accidental bumps or scratches during use or movement.
- Ensure all screws and fasteners are securely tightened before use and periodically check for looseness.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Mobile Standing Desk (Main components: tabletop, support column, base, cup holder, headphone hook)
- 1 x Instruction Manual
- Necessary assembly hardware (screws, wrench, etc.)

4. SETUP AND ASSEMBLY

The Tangkula Mobile Standing Desk requires assembly. Detailed step-by-step instructions with diagrams are included in the separate instruction manual provided in the package. Please follow these instructions carefully to ensure correct and safe assembly.

General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Attach the support column to the H-shaped base using the provided hardware.
3. Secure the tabletop to the top of the support column.
4. Install the cup holder and headphone hook onto the designated slots on the support column. These accessories can be interchanged or rotated 360 degrees for optimal positioning.
5. Ensure all connections are tight and stable before using the desk.

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

The desk features a gas spring pneumatic lift system for effortless height adjustment. To adjust the height:

- **To Raise:** Gently lift the tabletop while pressing the height adjustment lever (typically located under the tabletop). The desk will smoothly ascend. Release the lever at the desired height.
- **To Lower:** Apply slight downward pressure on the tabletop while pressing the height adjustment lever. The desk will smoothly descend. Release the lever at the desired height.

The desk can be adjusted between 26 inches (66 cm) and 39.5 inches (100 cm).

Flexible Height Adjustment

5.2 Mobility

The desk is equipped with four hidden wheels integrated into the H-shaped base, allowing for easy movement across various surfaces. These wheels are designed for smooth gliding and minimal floor impact.

- To move the desk, simply push or pull it to the desired location.
- The low-profile base and C-shaped design allow the desk to slide under sofas, beds, or chairs, maximizing space utilization.

Rolling Laptop Desk

4 Hidden Wheels

Lower base height, safe and aesthetically pleasing

5.3 Accessories

The desk includes a rotatable cup holder and a headphone hook for convenience and organization.

- The cup holder can be rotated 360 degrees to suit your preference and keep beverages secure.
- The headphone hook provides a dedicated space for your headphones, keeping your tabletop clear. It can also be rotated or interchanged with the cup holder.

6. MAINTENANCE

The Tangkula Mobile Standing Desk is designed for minimal maintenance.

- **Cleaning:** The tabletop features an easy-to-clean surface. Wipe with a soft, damp cloth and mild detergent if necessary. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if any looseness is detected.
- **Movement:** Ensure the path is clear when moving the desk to prevent damage to the desk or surrounding objects.

7. TROUBLESHOOTING

If you encounter any issues with your Tangkula Mobile Standing Desk, please refer to the following common solutions:

- **Desk is unstable:** Ensure all assembly screws are securely tightened. Verify the desk is on a flat, level surface.

- **Height adjustment is difficult:** Check for any obstructions around the pneumatic lift mechanism. Ensure the lever is fully engaged when attempting to adjust. If the issue persists, contact customer support.
- **Wheels are not rolling smoothly:** Check for debris or hair caught in the wheels. Clean as necessary. Ensure the wheels are not locked (if applicable, though these are hidden wheels without explicit locks).

For issues not covered here, please contact Tangkula customer support.

8. SPECIFICATIONS
