# Quay High Key Sunglasses User Manual

Model: NO-NS-2485-CHML/DKFN

## INTRODUCTION

---

This manual provides essential information for the proper use, care, and maintenance of your Quay High Key Sunglasses. Please read this manual thoroughly before using your sunglasses to ensure optimal performance and longevity.

## PRODUCT OVERVIEW

---

The Quay High Key sunglasses are designed with an extra-oversized aviator style, featuring UV protected lenses. They are suitable for both men and women, offering a balance of durability and comfortable wear.

Figure 1: Front view of the Quay High Key sunglasses, showcasing the black frame and dark, flat lenses.

Figure 2: Angled view of the Quay High Key sunglasses, highlighting the frame structure and lens design.

## SETUP

---

Your Quay High Key sunglasses come ready for immediate use. No assembly is required. Upon unboxing, inspect the sunglasses for any visible damage. Each pair includes a protective case and a cleaning cloth.

### Initial Inspection

- Remove the sunglasses from their packaging.
- Check the lenses for scratches or smudges.
- Verify that the frame is intact and hinges operate smoothly.
- Ensure the nose pads are securely attached.

The built-in nose pads are designed for a universal fit, providing secure and comfortable wear without requiring adjustment.

## OPERATING INSTRUCTIONS

---

These sunglasses are designed for general purpose use and provide UV protection. They are not intended for direct observation of the sun or for use as protective eyewear against mechanical impact hazards.

### Wearing Your Sunglasses

- Gently unfold the temples (arms) of the sunglasses.
- Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears.
- The oversized design provides broad coverage.

### Storage

When not in use, always store your sunglasses in the provided protective case to prevent scratches and damage. Avoid leaving sunglasses in direct sunlight for extended periods, especially in hot environments like a car dashboard, as extreme heat can warp the frame or damage the lenses.

## MAINTENANCE

---

Proper maintenance will extend the life and clarity of your Quay High Key sunglasses.

## Cleaning Instructions

- **Lenses:** Gently clean your lenses with the provided microfiber cloth. For stubborn smudges, use an appropriate lens cleaner specifically designed for eyewear.
- **Frames:** Wipe the frames with a soft, damp cloth.
- **Avoid:** Do not use household cleaners, paper towels, or clothing to clean your lenses, as these can scratch or damage the lens coatings.

Regular cleaning helps maintain optimal vision and the aesthetic appeal of your sunglasses.

## TROUBLESHOOTING

---

This section addresses common issues you might encounter with your sunglasses.

Problem	Possible Cause	Solution
Lenses appear smudged or dirty after cleaning.	Improper cleaning method or residue from previous cleaning agents.	Use only the provided microfiber cloth and an eyewear-specific lens cleaner. Ensure the cloth is clean.
Sunglasses feel loose or fall off easily.	Minor frame adjustment needed (e.g., temples slightly bent).	Avoid attempting to bend the frame yourself. Consult an eyewear professional for adjustments to prevent damage.
Scratches on lenses.	Improper storage or abrasive cleaning.	Always store sunglasses in their protective case. Use only soft microfiber cloths and appropriate lens cleaners. Lens scratches are generally not repairable.

## SPECIFICATIONS

---

Detailed specifications for the Quay High Key Sunglasses.
