ENOMIR GTX20

ENOMIR Smart Watch GTX20 User Manual

Model: GTX20

1. INTRODUCTION

The ENOMIR Smart Watch GTX20 is a versatile wearable device designed to enhance your daily life through seamless communication, comprehensive health monitoring, and advanced fitness tracking. Featuring a vibrant AMOLED display and robust connectivity, it is compatible with both iOS and Android devices.

2. WHAT'S IN THE BOX

Upon unboxing your ENOMIR Smart Watch GTX20, please ensure all components are present:

- ENOMIR Smart Watch GTX20 (with pre-installed band)
- Magnetic Charging Cable
- User Manual

What's in the Box?

3. SETUP

3.1. Charging the Device

Before initial use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch. Plug the USB end of the cable into a compatible USB power adapter (not included) or a computer's USB port.

10-Day Battery Life

10 Days
Heavy Usage

15 Days
Basic Usage

30 Days
Low Power Mode

3.2. Pairing with Your Smartphone

1. Download the **VeryFit** application from your smartphone's app store (available for iOS and Android).
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the VeryFit app and follow the on-screen instructions to search for and pair with your ENOMIR Smart Watch GTX20.
4. Confirm the pairing request on both your smartphone and the smartwatch.

Next-Gen Connectivity | Zero Lag

Powered by Advanced **DSP Chip, Bluetooth 5.3** DualSync Tech, Crystal-Clear Audio, Ultra-Low Latency, 30% Faster Data Transfer | 2x More Stable

4. OPERATING INSTRUCTIONS

4.1. Display and Navigation

The smartwatch features a 1.85-inch 2.5D Curved AMOLED touchscreen display. Navigate through menus and features by swiping across the screen and using the side buttons. The display offers clear visuals and vibrant colors, even in bright conditions.

2.5D Curved AMOLED Screen

Wider Viewing Angle, Vivid Colors

4.3. Health Monitoring

The GTX20 Smart Watch utilizes proprietary BioSync Nexus Technology for precise health insights. It continuously monitors your heart rate, blood oxygen (SpO2) levels, and sleep quality. This data helps you make informed decisions about your health and well-being.

- **Heart Rate Monitoring:** Track your heart rate throughout the day.
- **SpO2 Monitoring:** Measure your blood oxygen saturation.
- **Sleep Monitoring:** Analyze your sleep patterns (deep, light, REM sleep) for better rest insights.
- **Stress Monitoring:** Detect stress levels and receive alerts.

24/7 Heart Rate Monitor Your Health in Every Beat

Accurate Sleep Monitoring For Better Rest & Health Insights

Image: The smartwatch tracking sleep, providing detailed insights into sleep stages for improved rest.

4.4. Advanced Fitness Tracking

Elevate your workouts with over 100 sport modes, including running, swimming, and yoga. The watch accurately tracks distance, calories burned, and steps taken. Its IP68 waterproof design ensures durability for various activities.

Distance

1.8 KM

Calories

120 kcal

Step

1762 Steps

4.5. Smart Features and Reminders

The ENOMIR Smart Watch GTX20 offers several smart features to keep you proactive and organized:

- **Water Intake Reminders:** Prompts you to stay hydrated.
- **Sedentary Alerts:** Reminds you to move after periods of inactivity.
- **Menstrual Cycle Tracking:** Provides insights for women's health.
- **Music Control:** Manage your music playback directly from your wrist.
- **Weather Forecast:** Get real-time weather updates.
- **Alarm Clock:** Set alarms for daily routines.
- **Find Phone:** Locate your paired smartphone.
- **AI Voice Assistant:** Interact with your watch using voice commands.
- **DIY Watch Face:** Customize your watch face with personal photos.

5. MAINTENANCE

5.1. Cleaning Your Smartwatch

To maintain the appearance and functionality of your smartwatch, regularly clean the device and its band. Use a soft, lint-free cloth. For stubborn spots, dampen the cloth with a small amount of water. Avoid using harsh chemicals or abrasive materials.

5.2. Water Resistance

The ENOMIR Smart Watch GTX20 has an IP68 waterproof rating, meaning it can withstand immersion in water up to 3 meters deep. It is suitable for swimming, sweating, and showering. However, it is not recommended for diving or high-pressure water activities.

3ATM Waterproof

Swim | Sweat | Shower

Can work at depths of up to 3 metres underwater
10,000+ Water Pressure Cycles

6. TROUBLESHOOTING

If you encounter issues with your ENOMIR Smart Watch GTX20, please refer to the following common solutions:

- **Device not turning on:** Ensure the watch is fully charged. Connect it to the charging cable and allow it to charge for at least 30 minutes before attempting to power on again.
- **Cannot pair with smartphone:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again through the VeryFit app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.
- **Notifications not appearing:** Check the notification settings within the VeryFit app and your phone's system settings to ensure permissions are granted for the app to display notifications.

For further assistance, please contact customer support.

7. SPECIFICATIONS

Feature	Specification
Model	GTX20
Screen Size	1.85 Inches AMOLED
Connectivity	Bluetooth 5.3
Battery Capacity	350 Milliamp Hours
Battery Life	Up to 10 days (typical usage)
Water Resistance	3ATM (IP68)
Operating System	Android & iOS Compatible
Item Weight	5.6 ounces

Package Dimensions	10.91 x 7.48 x 0.75 inches
